

THE OHIO STATE UNIVERSITY

Our Values

We are The Ohio State University. Our commitment to the communities we serve is formidable and unwavering. Our work does not merely impart knowledge – it creates it and fundamentally alters what is possible for people, communities and institutions everywhere. The hallmarks of our work are leading-edge research and expanding educational opportunities. Our commitments also include stimulating economic prosperity and anticipating and addressing societal needs. We provide extraordinary learning opportunities for the whole student inside and outside the classroom and in the community. We conduct ourselves on behalf of the institution according to the following fundamental values:

We are committed to EXCELLENCE – in the standards we set, the results we produce, the relationships we are in, and the dedicated service we provide.

We are committed to COLLABORATING AS ONE UNIVERSITY – our aspirations demand we remove internal boundaries – we must share information, promote teamwork, and think creatively to make this happen.

We are committed to acting with INTEGRITY AND PERSONAL ACCOUNTABILITY – we accept responsibility for our actions, we keep our word, we focus on solutions rather than fault and blame, and we take initiative to make things happen.

We are committed to OPENNESS AND TRUST – our communication is direct and honest, we promote authenticity and transparency in our relationships and activities, we're open to feedback and coaching, and we give feedback with candor and respect.

We are committed to DIVERSITY IN PEOPLE AND IDEAS - the health of our environment demands that we respect each other, that we are inclusive, and that we profoundly value who each of us is as a whole person and what each of us uniquely contributes.

We are committed to CHANGE AND INNOVATION – these principles are our heritage and our future – we're curious, we're creative, and we embrace positive, constructive conflict.

We are committed to SIMPLICITY IN OUR WORK – in the administration and management of our enterprise we are responsive, ethical, and transparent and we strive to make the functioning of this complex institution simple and efficient.

We promise to be true to our values, accomplish our mission and be the pioneering and eminent institution that we and those we serve expect of us. This is **The Ohio State University**.
