

Tobacco Free Ohio State Tobacco Cessation and Stress Management Resources

Tobacco Cessation resources are available for faculty, staff and students. Smoking cessation services are covered through the Ohio State Benefit Plans. Covered faculty and staff must pay the applicable out-of-pocket expenses based on the service received. Individuals that are not OSU Health Plan members should check with their own insurance companies for possible coverage. Below are a few available resources. Tobacco cessation services are covered for students enrolled in the Ohio State Comprehensive Student Health Insurance Plan. Students covered under this plan should check for any out-of-pocket expenses based on the service received. Ohio State students who are covered by other health insurance should check for benefits available to them.
