Dear Colleagues,

It is time for us to rally together as Buckeyes. Faculty, staff and retirees are encouraged to support our community by donating to local organizations through Bucks for Charity by November 30, 2016.

This campaign is all about the tremendous potential of Buckeye Nation to make a difference. Simply by virtue of our size as one of the largest workforces in central Ohio, we can make a significant contribution to the organizations that support our families, friends and neighbors during their most difficult times.

We encourage you to utilize this resource guide or the bucksforcharity.osu.edu website to learn more about the participating agencies who benefit from the generosity of people, like you, who care about our community.

Bucks for Charity is a simple way to support your favorite charity — conveniently online one-time or through payroll deduction. Instructions on how to make a pledge are outlined in the guide and online.

More than 300 agencies are part of the Bucks for Charity campaign. We hope you will find an agency to support that champions a cause that is important to you, such as education, wellness, the environment, hunger or social justice.

Together, our collective donations will strengthen these organizations and, in turn, all of central Ohio. Truly, when Buckeyes unite, lives are changed for the better.

Thank you for supporting Bucks for Charity.

Sincerely,

Michael V. Drake, MD

An Important Partnership

The Bucks for Charity campaign is an important partnership between The Ohio State University and its surrounding community. The drive combines a number of fundraising efforts that may appeal to university faculty and staff for donations through payroll deduction. A single drive at the workplace avoids incurring extra administrative costs that may arise from multiple campaigns and allows faculty and staff many options from which to choose.

Participating Organizations

Organizations participating in the 2016 drive include 11 respected local federations of charities that have met eligibility requirements. Federations serve as “umbrella” organizations for many independent member agencies representing a wide range of services that make a major impact on health and human services.

Go to bucksforcharity.osu.edu and click PLEDGE NOW to get started.

How do I make my contribution to the Bucks for Charity Campaign?
You may donate via Payroll Deduction using E-Pledge, our online pledging system, or by using a paper pledge form available from your college or department coordinator. Payroll deduction allows you to donate to the campaign each paycheck with your annual pledge spread over the course of a calendar year.

How can I direct my contribution to the agencies of my choice?
This resource guide lists all the eligible federations and member agencies approved for inclusion in Bucks for Charity, along with a brief description that details its services, programs and clients served. Simply find the agency that best meets your giving preference and indicate that code online in E-Pledge or on the paper pledge form.

If you would like the federation of your choice to allocate your gift where the need is greatest among its many agencies and causes, select the code representing that overall federation. The federations, their codes and descriptions appear at the top of each section of this guide.

New this year, the charities have self-identified their area of focus. Listed below is a breakdown of the codes that can be found at the end of each of the charity descriptions:

New this year, the charities have self-identified their area of focus. Listed below is a breakdown of the codes that can be found at the end of each of the charity descriptions:

You may also contribute a One-Time gift, using E-Pledge (deductible in February 2017), cash or personal check, which must be submitted using a paper pledge form. Credit cards are not currently accepted.

Do Bucks for Charity deductions automatically renew?
No, deductions do not roll over automatically and must be resubmitted every year during the campaign.

What does the percentage listed after each agency description refer to?
The percentage of its administrative costs – the portion of donations used for management and fundraising that does not go directly to services, often referred to as overhead. Please keep in mind that administrative percentages vary based on differences in budgets and sources of funding. A higher number may indicate a greater need in some cases.

What happens if I do not specify a code on my pledge form or E-Pledge?
If you do not designate your gift to specific federation or agency, your donation will be divided among charities according to the percent of total designations received.

May I designate my funds to my charity of choice?
You may also make a gift to a qualified, tax-exempt 501(c)(3) health and human services agency located within central Ohio that is not listed in the resource guide. On E-Pledge or your paper pledge form, write in the name, address, phone number, and tax identification number of the agency in the box marked “5. OTHER AGENCY DESIGNATION” and enter the pledge amount in the box above corresponding to #5. A code is not required. (Note: Agencies must meet eligibility requirements of the Campaign Coordinating Agency before designations can be processed. The Office of Human Resources will inform you in the event of an agency’s ineligibility.)

Are my donations considered pre-tax deductions?
No, only benefit-related items are deducted pre-tax (health insurance, parking, etc).

May I deduct my donations from my taxes?
Payroll deduction pledges collected during this fall campaign, will not be deductible until the following year (these pledges will be collected for the 2017 tax year). If you donated cash or check and submit before December 31, 2016, you may deduct those donation during the 2016 tax year.

What documentation do I need for my taxes?
E-Pledge will automatically email a confirmation once your pledge is submitted, please keep that as a receipt for your records, as it will be helpful during tax filing. If you donate using a paper pledge form, save the pink copy for your records. Each charity receiving donations is asked to acknowledge your gift within the first quarter of the New Year. The IRS does not require charitable organizations to provide written statement for donations under $75.

Does Ohio State participate in matching programs?
No, Ohio State does not match donations to Bucks for Charity.

Completing the Paper Pledge Form

A paper pledge form can be used for annual payroll deduction or can be used for one-time cash or check donations. Remember, to donate by cash or check, you must use the paper pledge form.

1. Clearly print your **name** and **employee ID number** in the designated spaces, using a black or blue ballpoint pen. *(Please do not use felt-tip markers, as the information may not scan accurately.)*

2. Be sure to indicate (by checking the appropriate space) if you are paid **12 times** (monthly) or **26 times** (biweekly) per year.

3. **Designate your gift** by completing the boxed charity code sections. Using the federation and agency descriptions within this guide as a reference, write in the five-digit codes and the name of the organizations you wish to support. If you would like the federation of your choice to allocate your gift where the need is greatest among its agencies and causes, select the code representing that overall federation. The federations, their codes, and descriptions appear at the top of each section of this resource guide. You may select up to five federations and/or agencies.

4. To make a gift to qualified, tax-exempt 501(c)(3) health and human services agencies in central Ohio that are **not listed in the resource guide**, write in the name, address, phone number, and tax identification number of the agency in the box marked “OTHER AGENCY DESIGNATION” and enter pledge amount in the appropriate boxes at #5. Note: Agencies must meet eligibility requirements of the Campaign Coordinating Agency before designations can be processed. OHR will inform you in the event of an agency's ineligibility.

5. Next to each five-digit charity code, **indicate how much you wish to donate to each charity annually.** *(Payroll deduction requires a minimum gift of $1 per pay period per charity.)* If you wish to give a one-time gift of cash or a check, indicate the amount, complete the charity designation in the same manner, and submit the contribution with the pledge form.

6. **Check the appropriate box if your gift qualifies for leadership recognition or other preferences.**

7. **Be sure to sign and date your pledge form.** Your signature authorizes your payroll deduction. Return the white and blue copies of your form to your departmental coordinator.

8. **Keep the pink copy for your files.**
