

CCS Rule Revisions

Summary of Changes

Chapter 81---Reduction in Force

3335-81-07-01 Reduction in work force.

- Retitled the section “Reduction in force” to make it consistent with the title change of the Reduction in Force Classified Civil Service Staff policy that became effective in 2021.

3335-81-07 Jurisdiction

3335-81-07 (B)(2)

- Amended to clarify what constitutes the “medical center” jurisdictions by adding *“as defined by university human resources policy are separate jurisdictions.”*

3335-81-07 (C) Deleted. The language is no longer applicable to current university policies or rules.

3335-81-13 Alternatives to layoff during a disaster.

- Deleted “during a disaster” from the title of the rule to reflect that the rule could also apply if the university implements a furlough.
- Amended to add the words “or furlough” following the words, “If a disaster.”
- Amended to delete the words, *“and there is a lack of work or lack of funds due to the disaster, as a result”* because the section states, *“If a disaster or furlough occurs as contemplated under university human resources policy...”* and the policies are specific as to the triggers for laying off university employees.
