ARTICLE 1
CONTRACT

Section 1.1 Contract. This Contract is made and entered into by and between The Ohio State University; also referred to as "University", and the Fraternal Order of Police, Ohio Labor Council, Inc., hereinafter referred to as the F.O.P. / O.L.C., or the Union.

Section 1.2 Purpose. This Contract is made for the purpose of setting forth the understandings between the parties governing the wages, hours, terms and conditions of employment for those Employees included in the bargaining unit identified herein.

Section 1.3 Savings Clause. Should any part of this Contract be held invalid by operation of law or by final order issued by any tribunal of competent jurisdiction, or should compliance with or enforcement of any part of this Contract be restrained by any such tribunal pending a final determination as to its validity, such invalidation or temporary restraint shall not invalidate or affect the remaining portions hereof or the application of such portions to persons or circumstances other than those to whom or to which it has been held invalid or has been restrained. Upon written request by either party, the parties to this Contract shall meet within thirty (30) calendar days of receipt of the written request, in an attempt to modify any invalidated provisions by good faith negotiations.

Section 1.4 Conflicting Contracts. The University, the Union, and bargaining unit members agree that none of their representatives shall make or ask a member to make any written or verbal Contract which would conflict with this Contract.

Section 1.5 Contract Amendments. Unless otherwise specified in this Contract, no changes in this Contract shall be negotiated during its duration unless there is written accord to do so by and between the parties. Any negotiated changes, to be effective and incorporated in this Contract, must be in writing and signed by the parties.

Section 1.6 Applicability. This Contract, when executed, shall supersede and replace all applicable state and local laws which it has authority to supersede and replace including, but not limited to Chapter 124 of the Ohio Revised Code and attendant Department of Administrative Services’ rules. Where this Contract is silent, the provisions of applicable law and the policies and procedures of the Department of Public Safety and the University shall prevail.

Section 1.7 Definitions. For purposes of this Agreement, the University and the Union have agreed to the following definitions:

A. “Calendar days" means all days, regardless of work schedule, to include weekends and holidays.

B. Unless specified otherwise, any reference to "working days" means days on which the University’s Office of Human Resources is open for normal business operations. Any reference to "days" in this Agreement that does not specify otherwise is intended to mean working days.
ARTICLE 2
RECOGNITION

Section 2.1 Recognition.  The University recognizes the Union as the sole and exclusive representative for all Employees in the Bargaining Unit described herein in any and all matters relating to wages, hours, terms and conditions of employment, and the continuation, modification, or deletion of an existing provision of this Contract and for the administration of this Contract.

Section 2.2 Bargaining Unit.  The Parties agree the bargaining unit (2018-REP-06-0057) consists of:

Included: All full-time regular employees in the classification of Campus Security Officer 1 (SO1) and Campus Security Officer 2 (SO2) employed by the University.

Excluded: All other University Employees including temporary Employees in the classification of Campus Security Officers.

References throughout this Contract to Bargaining Unit members shall mean Employees within the Bargaining Unit.

ARTICLE 3
UNION BUSINESS

Section 3.1 Dues Deduction.  The University agrees to deduct Union membership dues from members in an active pay status upon receipt of individually signed authorization form(s) in the amount certified by the Union to the University.  The first such deduction will be made as soon as practicable thereafter but in no event later than thirty (30) calendar days following receipt by the University of the dues deduction authorization.  One half (½) of the monthly dues shall be deducted from the first two pay periods of each month.  The University also agrees to deduct Union initiation fees and assessments, in the amount certified by the Union to the University, in the same manner each month, in which such fees and assessments are due, from the pay of any appropriate Union member.

Once each calendar month, a warrant in the aggregate amount of the deductions made for that calendar month, together with a listing of the Union members for whom deductions were made, shall be furnished to the Director of the Union at 222 East Town Street, Columbus, Ohio 43215.  Nothing herein shall prohibit Union members covered by this Contract from submitting dues directly to the Union.

The University shall provide the Union with additional payroll deductions for the purpose of the Union providing additional non-university-provided employee benefits, providing the University's payroll accounting system possesses sufficient capacity and capability for additional deductions,
and that the University determines that such deduction is for a legitimate program, and the provisions under such a program are not substantially similar to programs already offered through payroll deduction, and further, that at least sixty percent (60%) of the Bargaining members declare interest (in writing) in enrolling in such a program.

No other dues of an employee organization (as defined by ORC Chapter 4117) shall be deducted from any Bargaining Unit members’ pay for the duration of this Contract.

**Section 3.2 Indemnification.** The University assumes no obligation, financial or otherwise, arising out of these provisions regarding the deduction of membership dues, except failure to forward deducted dues. The Labor Council hereby agrees that it will indemnify and hold the University harmless from any claims, actions or proceedings by any Employee arising from deductions made by the University pursuant to these provisions. Once the funds are remitted to the Director of the Union their dispositions thereafter shall be the sole and exclusive obligation and responsibility of the Union.

**Section 3.3 Bulletin Boards.** The University agrees to continue to provide bulletin board space at Blankenship Hall, the Wexner Center for the Arts, and the Ohio Union. Union bulletins and Union material will be permitted to be posted on this bulletin board space. Non-Bargaining Unit members shall not be permitted to remove, add to or alter the material posted on this designated space unless said material contains obscene or offensive material as determined by the University.

The notification required under this Section shall be in writing (hard copy or e-mail), shall be delivered to the University, or designee, at least forty-eight (48) hours prior to the time of the meeting, and shall state the date, time, and requested location of the meeting. The University agrees to hold the requested location open for use by the Union on the date and at the time specified in the Union’s notification to the University. However, if it is not practicable for the University to provide the requested location to the Union, the University will so notify the Union and make every effort to provide for an alternate meeting location in another University building, room or facility. No Bargaining Unit members shall attend the abovereferenced meetings while on duty without receiving prior approval from the University (or designee). Such approval shall not be unreasonably withheld; however, it is understood that staffing, availability of coverage and overtime are reasonable considerations.

No employee in the Bargaining Unit or member of the Union shall be obligated or asked to divulge to the University information discussed at said meetings.

**Section 3.5 Ballot Boxes.** The Union shall be permitted, upon prior notification to the University, to place a ballot box at the work site for the purpose of collecting members’ ballots on all Union issues subject to ballot. Such box shall be the property of the Union and neither the ballot box nor its contents shall be subject to the University’s review.
Section 3.6 Use of Intra-Department Mail. The Union shall be permitted to utilize the intradepartmental mail (including electronic mail) system for the purpose of providing information pertaining to Union business or Bargaining Unit representation, to Bargaining Unit members. The Union agrees that the use of the mail system will be reasonable and limited to providing information that is necessary for the normal conduct of Union business or Bargaining Unit representation. Paper mail covered by this provision and placed into the mail system by the Union shall be the property of the Bargaining Unit member to whom it is addressed, shall be clearly labeled as Union mail, and such mail shall not be subject to the University's review except to enforce University policy, as part of a criminal investigation or in accordance with public records law. The electronic mail shall generally be treated the same as paper mail for the purposes of this provision. However, the University reserves the right to access electronic mail in accordance with its policies and procedures.

Section 3.7 Bargaining Unit Representatives. Representatives of the Union, shall be permitted to transact official Union business at work sites at all reasonable times, provided that this shall not interfere with or interrupt normal operations. No Bargaining Unit member shall leave his/her work station without prior approval of the Director of Central Campus Security Services (or designee). No outside representative of the Union shall be permitted in any restricted area without prior approval of the Director of Central Campus Security Services (or designee).

The Bargaining Unit is authorized to select six (6) Bargaining Unit representative and two (2) alternates to conduct Bargaining Unit business. The Bargaining Unit representative, upon giving reasonable notice, and upon receiving authorization from the Director of Central Campus Security Services (or designee) shall be allowed reasonable time off during regular working hours to investigate a grievance, consult with the University in addressing labor/management issues, process a grievance, or assist in the settlement of a dispute. Permission to perform these functions shall not be unreasonably denied; however, it is understood that staffing, availability of coverage and overtime are reasonable considerations.

One bargaining unit member shall be allowed one day in paid status and reasonable time off duty without pay to attend the FOP/OLC annual conference provided that the bargaining unit member submits written notification to the Director of Central Campus Security Services at least thirty (30) calendar days prior to the date of the function. To the extent any such time off without pay is during the bargaining unit member's scheduled working hours, time off may be charged to vacation or compensatory time, at the option of the bargaining unit member.

Section 3.8 Negotiating Committee. The University agrees to allow no more than six (6) Employees from the Bargaining Unit to serve on the Union's Negotiations Committee. The Union will notify the Department of the name and normal shift of the committee members prior to the first scheduled negotiations date. Not more than three (3) Union Employee Representatives will attend negotiation sessions in paid status. However, no more than one (1) Union Employee Representative may be released from the same assigned shift and work area to attend negotiation sessions unless mutually agreed to otherwise. Three (3) Bargaining Unit members shall be released from an assigned shift to serve on the Committee in a full pay status during negotiations or any modification of this Contract, if the member’s duty hours coincide with the meeting hours.
Upon approval from the Central Campus Security Services Director or designee, three (3) Bargaining Unit members selected for the Negotiations Committee will be allowed reasonable time off duty, on pay status, to attend work sessions of the Negotiations Committee during the course of negotiations but no more than three (3) members will be paid at any one time period. Hours that are spent outside regular duty hours for work sessions and negotiations will not be compensated.

**Section 3.9 Union Storage.** The University agrees to provide space at Blankenship Hall where Union materials necessary for the administration of this collective bargaining agreement may be kept. The Union will be permitted to place a locker or locking cabinet in that space as long as the locker or cabinet meets with the approval of the Department.

**Section 3.10 Agreement Content Distribution and Cost Sharing.** The University agrees to post this agreement on the Office of Human Resources web site. Not more than three (3) Union Employee representatives will attend Labor Management meetings in paid status. However, no more than one (1) Union Employee representative may be released from the same assigned shift in the same location to attend such meetings, unless mutually agreed to otherwise. Upon either party’s request these meetings will be held at least quarterly at mutually agreeable times, but may be held more often by mutual agreement of the parties.

Proposed agenda will be exchanged by the parties at least five (5) working days in advance of the scheduled meeting with a list of matters to be taken up in the meeting and the names of those representatives from each side who will be attending. All matters on an agreed agenda shall be discussed. The purpose of such meeting shall be to:

A. Discuss the administration of this Contract;

B. Discuss grievances which have been processed beyond the final in house Step of the Grievance Procedure, when such discussions are mutually agreed to by the parties;

C. Disseminate general information of interest to the parties, or discuss potential grievances when agreed to by both parties.
D. Consider and discuss health and safety matters relating to Employees in the Bargaining Unit; and

E. Discuss ways to increase productivity and improve efficiency.

F. Discuss any other items the parties mutually agree to discuss.

ARTICLE 7
SAFE EQUIPMENT

Section 7.1 Safe Equipment. The University will furnish and will maintain in good working condition, within the limits of the Department of Public Safety’s financial capabilities, the necessary tools, facilities, supplies and equipment required to provide for the personal safety of Bargaining Unit members in carrying out their duties. Employees in the Bargaining Unit are responsible for reporting unsafe conditions or practices, for avoiding negligence, and for properly using and caring for tools, facilities, supplies, and equipment provided by the University. Bargaining Unit members will advise the Director of Central Campus Security Services (or designee) of unsafe equipment and working conditions, and the University, within the limits of the Department of Public Safety’s financial capabilities and as it deems necessary, will take corrective measures. The Department of Public Safety equipment problems will be reported via the Department’s tracking system. Non-Department of Public Safety equipment problems will be documented and reported to the appropriate department.

Copies of all work rules as well as policies and procedures and all updates, changes, modifications and deletions to either shall be made available to all Bargaining Unit members in either hard copy and/or electronically so that all members have access to the most current work rules and policies and procedures.

Employees in the Bargaining Unit are required to adhere to the policies and procedures of Central Campus Security Services, the Department of Public Safety and the University.

ARTICLE 9
GRIEVANCE PROCEDURE

Section 9.1 Definition. Except as provided in section 9.2, a grievance is any unresolved question or dispute regarding the wages, hours, terms, or conditions of employment of Bargaining Unit
members, including but not limited to, unresolved questions or disputes concerning the interpretation and application of Department rules, regulations, policies or this contract.

Any allegation by an Employee in the Bargaining Unit that a policy or procedure is in violation of this Contract, or has not been applied or interpreted uniformly to all Employees, shall be a proper subject for a grievance.

Disciplinary actions of oral (with written documentation) or written reprimand, taken by the University against any bargaining unit member, may be appealed to Steps 1, 2 and 3 of the grievance procedure, but shall not be appealed to Step 4 (arbitration).

In cases of oral (with written documentation) or written reprimands, if a Bargaining Unit member disagrees, the Bargaining Unit member may write a memorandum to the manager of human resources at public safety explaining the Bargaining Unit member’s position and the reason for disagreement with the oral or written reprimand. Such memorandum will be placed in the Bargaining unit member’s personnel file.

**Section 9.2 Jurisdiction.** If administrative relief of a judicial or quasi-judicial nature is provided for by the laws of the State of Ohio, or of the United States, for review or redress of specific matters (such as civil rights, etc.) such matters shall not be subject to this Grievance Procedure, or be processed hereunder. Otherwise, the Grievance Procedure, as set forth in this Article, shall be the exclusive remedy for Bargaining Unit members.

**Section 9.3 Qualifications.** All grievances must proceed through the Grievance Procedure described in Section 9.5 of this Contract, and be presented at the proper step and time in progression in order to be considered at subsequent steps. The proper step to initiate the grievance is Step 1 except when the grievance involves discipline. In that instance, the grievance may be initiated at the step above the person who issued the discipline. (For example: if the discipline was given by a Manager of Central Campus Security Services the grievance may be initiated with the Director of Central Campus Security Services.)

A grievance shall be considered withdrawn at any point where a Bargaining Unit member submits a written statement to that effect, or where time requirements at any step have lapsed, without further appeal by the Bargaining Unit member.

Any grievance not answered by the University within the stipulated time limits, unless the time limits have been extended, may be advanced by the Bargaining Unit member to the next Step in the Grievance Procedure.

A grievance may be brought by an aggrieved Bargaining Unit member covered by this Contract. Where more than one (1) Bargaining Unit member desires to file a grievance involving an incident affecting several Bargaining Unit members in the same or similar manner, one (1) Bargaining Unit member shall be selected by the bargaining unit to process the grievance. Each aggrieved Bargaining Unit member who desires to be included in the grievance shall sign the grievance.
A Bargaining Unit member has the right to present grievances and have them resolved without the intervention of the Union, as long as the resolution is consistent with the terms of this Contract and as long as the Union has the opportunity to be present at or participate in the resolution.

**Section 9.4 Grievance Form.** The aggrieved Bargaining Unit member shall use a written grievance form which shall provide the following information:

A. Grievant's name and signature;
B. Date, time and location of grievance;
C. Description of incident giving rise to the grievance;
D. Rules, regulations, policies, articles or sections of the Contract allegedly violated;
E. Date grievance was first discussed;
F. Name of supervisor with whom grievance was first discussed;
G. Date grievance was filed in writing; and
H. Desired remedy to resolve the grievance.

The bargaining unit shall be responsible for its accounting, duplication and distribution of grievance forms.

**Section 9.5 Grievance Procedure.** It is the mutual desire of the University and the Bargaining Unit to provide for prompt resolution of grievances, with a minimum amount of interruption of the work schedules. Every reasonable effort shall be made by the University and the Bargaining Unit member to resolve grievances at the earliest possible step. In furtherance of this objective, the following procedure shall be followed:

A. **Informal.** Prior to the utilization of this grievance procedure, a Bargaining Unit member should first attempt to resolve a grievance informally by initially discussing the matter with their immediate supervisor within seven (7) calendar days of when the Bargaining Unit member learned or should have learned of the occurrence. The immediate supervisor shall have ten (10) calendar days to resolve the matter. If the grievance is not resolved to the Bargaining Unit member’s satisfaction upon the expiration of the ten (10) day period, and the Bargaining Unit member wishes to proceed to Step 1, the Bargaining Unit member shall reduce the grievance to writing no later than fourteen (14) calendar days from learning of the immediate supervisor’s proposed resolution or the expiration of the ten (10) day period, whichever is earlier, and present the written grievance to the Director of Central Campus Security Services (or designee).

B. **Step 1 – Director of Central Campus Security Services.** The Director of Central Campus Security Services (or designee) shall investigate, meet with, and respond in writing to the Bargaining Unit member within fourteen (14) calendar days following the presentation of the grievance.
C. **Step 2 – Human Resources Manager for Public Safety.** If the grievance is not resolved in Step 1 and the Bargaining Unit member and the Union Representative wish to proceed to Step 2, the Bargaining Unit member shall present the written grievance to the Human Resources Manager for Public Safety (or designee) within ten (10) calendar days from receipt of the Step 1 answer. The Human Resources Manager for Public Safety (or designee) shall investigate the matter and shall meet with the Employee and the desired representative within ten (10) calendar days of receipt of the grievance. A written response to the grievance shall be provided to the bargaining unit member within fourteen (14) calendar days following the meeting at Step 2.

D. **Step 3 – Office of Human Resources.** If the grievance is not resolved in Step 2, and the Bargaining Unit member wishes to proceed to Step 3, the Bargaining Unit member shall, present the written grievance to the Manager of Labor Relations for the University (or designee) fourteen (14) calendar days from receipt of the Step 2 answer. The Manager of Labor Relations for the University (or designee) shall investigate and respond, in writing, to the Bargaining Unit member within fourteen (14) calendar days following the presentation of the grievance to Step 3.

E. **Step 4 - Arbitration.** If a grievance is not satisfactorily resolved at Step 3, the Union may submit the grievance to Arbitration. If a written notice of intent to file under the Arbitration Procedure is not received by the Manager of Labor Relations (or designee) within fourteen (14) calendar days following the date of the response outlined in Step 3, the grievance shall be considered resolved. The parties shall make a joint request to the Federal Mediation Conciliation Service for a panel list of nine (9) arbitrators each having an office in Ohio. The parties shall then choose an arbitrator by alternately striking names from the list until such time as one (1) name remains as the Arbitrator chosen by the parties. Prior to beginning the striking procedure, either party may reject one list and submit a request for another list from the arbitration tribunal. Nothing in this Section prohibits the parties from mutually agreeing to an arbitrator.

In issuing an award, the arbitrator shall be limited to the enforcement of the specific provisions of the rules, regulations, policies or contract. The Arbitrator may not alter, amend, modify, add to or subtract from the terms of the contract or the provisions of the document being grieved. Nor shall they impose on either party a limitation or obligation not specifically required by the express language of this agreement or University policies and procedures.

The question of arbitrability of a grievance may be raised by either party before the arbitration hearing on the grievance, on the grounds that the matter is not arbitral or beyond the Arbitrator’s jurisdiction. The first question to be placed before an arbitrator will be whether or not the alleged grievance is within the purview of the Arbitrator. Thereafter, the alleged grievance will be heard on its own merits before the same Arbitrator.

The decision of the Arbitrator shall be final and binding provided such decision does not exceed the jurisdiction or authority of the arbitrator as set forth in this article. The Arbitrator shall be
without authority to recommend any right to relief on any alleged grievance occurring at any other time than the contract period in which the right originated. The Arbitrator shall not establish any new or different wage rates not negotiated as part of the Contract. In case of discharge, suspension or reduction, the Arbitrator shall not have the authority to award modification of said discipline, if the Arbitrator finds that the University has established the material facts supporting the disciplinary penalty. If the Arbitrator finds that the University has not established the material facts supporting the disciplinary penalty, the Arbitrator may modify the disciplinary penalty.

The Arbitrator shall render, in writing, the findings and award as quickly as possible within thirty (30) calendar days after the hearing is closed and/or post-hearing briefs are submitted. The arbitrator shall forward such findings and award to the University’s Manager of Labor Relations (or designee) and to the O.L.C. Attorney (or designee).

The costs of any proofs produced at the direction of the arbitrator, the rent for the hearing room and the fee of the arbitration shall be borne jointly by the parties. The expenses of any non-member witnesses shall be borne, if at all, by the Party calling them. The fees of the court reporter shall be paid by the party asking for one; such fee shall be split equally if both parties desire a reporter, or request a copy of the transcript. Any affected member in attendance for such hearing shall not lose pay or any benefits to the extent such hearing hours are during the member’s normally scheduled working hours on the day of the hearing.

Section 9.6 Right to Representation. A Grievant has a right to representation at all formal Steps of the Grievance Procedure. The Grievant may request that the appropriate University designated representative interview appropriate witnesses with first-hand knowledge of the matter being grieved and review any pertinent information. At Step 4, the Grievant shall have an opportunity to fairly present the case by presentation of witnesses with first-hand knowledge of the matter being grieved and/or other pertinent information. A witness shall not lose pay, if their attendance at a meeting or arbitration is scheduled in advance during that witness’ working hours. Grievance meetings shall be scheduled at mutually agreeable times. The Union shall provide seven (7) calendar days advance notice that a witness will be necessary for arbitration. The Director of Central Campus Security Services will issue approval subject to staffing and availability of coverage.

Section 9.7 Extension of Time Limits. It is the University’s and the Union’s intention that all time limits in the above grievance procedure shall be met. However, to the end of encouraging thoughtful responses at each Step, the Union and the University’s designated representative may mutually agree, at any Step, to written time extensions.

ARTICLE 10
INTERNAL REVIEW PROCEDURES
Section 10.1 Scope. The directives set forth in this article shall be followed whenever the University conducts an investigation concerning a Bargaining Unit member and the University believes that disciplinary action of record (reprimand of record, suspension, reduction, or removal) or criminal charges may result.

Section 10.2 Review Process:

A. Before a member may be charged with insubordination or like offense for refusing to answer questions or participate in an investigation, the member shall be advised that such conduct, if continued, may be the basis for such a charge.

B. If a member (who is the subject of an investigation) desires, the member shall be given a reasonable opportunity to consult with a Labor Council representative before being required to answer questions. During all questioning the member may, upon request, be accompanied by an available Labor Council representative.

C. Before being required to answer questions or make written statements in an investigation, members shall be advised of their rights under this article.

D. Prior to questioning, the University shall notify members if they are being questioned as a witness or if they are a subject of the investigation.

E. If, during the interview of the member witness, the investigator has reason to believe the member witness has become the focus of the investigation or another investigation, the investigator shall notify the member witness of such belief. The Investigator shall inform the member of the member’s rights under this article.

F. If, during the interview, the member witness has reason to believe that the member witness has become the focus of an investigation for which discipline or criminal charges may result, the member witness may invoke the member’s rights under this article.

G. Any interrogation, questions, or interviewing of a member will be conducted at hours reasonably related to the member’s shift, preferably during, or immediately prior to or after the member’s working hours, unless the situation dictates otherwise. Interrogation sessions shall be for reasonable periods of time, and members shall be allowed during such questioning for rest periods and attendance to other physical necessities.

H. When an anonymous complaint is made against a member, the Director of Central Campus Security Services or designee may investigate, and if there is no corroborative evidence, the complaint shall be classified as unfounded and no disciplinary action will be taken. No unfounded complaints shall be placed in a member’s personnel file.

I. A member who has been under investigation shall be informed, in writing, of the outcome of the case at the conclusion of the investigation.
J. The University shall attempt to complete investigations that do not involve the possibility of criminal charges within forty-five (45) days of commencing the investigation. If the investigation is not completed within forty-five (45) days, the University shall notify the member of the status of the investigation. The University shall notify the member of the outcome of the investigation upon its conclusion.

Any member who has been under investigation, and after being informed of the investigation, may, not less than twenty-eight (28) days after notification, forward a written inquiry to the Central Campus Security Services as to the status of the investigation. In response to the member’s inquiry, the member shall be advised of the status of the investigation and if known, the estimated time necessary to complete the investigation.

K. In the course of questioning, a member may not be given a polygraph examination or other similar test without the member’s consent. The results of this examination cannot be used in any subsequent criminal action. Where consent is given, a polygraph examiner shall be chosen by mutual agreement of the University and the Union.

L. Record(s) of any investigation that are not substantiated shall not be placed in the member’s personnel file.

ARTICLE 11
CORRECTIVE ACTION

Section 11.1 Discipline for Cause. No Bargaining Unit member shall be reprimanded, suspended, reduced in pay, or removed, except for just cause. The University may take disciplinary action for conduct occurring while a Bargaining Unit member is on duty; working under color of employment for the University; or is off-duty representing themselves as an Employee of the University or while engaged in conduct that might affect the ability to perform their duties as Employees. Bargaining Unit members may not be disciplined for actions on their own personal time that do not reflect directly on the University, or do not violate any state or federal statutory provisions unless such actions bring the University into disrepute.

Section 11.2 Progressive Discipline. Except in instances where a Bargaining Unit member engages in serious misconduct, the facts and circumstances of which could justify moving directly to suspension or discharge, discipline will be applied in a progressive manner. When applying progressive discipline the University may take into account the nature of the violation, a Bargaining Unit member’s record of discipline, and the Bargaining Unit member’s record of conduct.

Ordinarily, a progressive disciplinary action will involve an oral reprimand (with written documentation) before a written reprimand, a written reprimand before a suspension, and a suspension before reduction in pay or removal.
Nothing herein precludes the University from utilizing positive steps, including counseling, to correct a Bargaining Unit member’s inappropriate action or behavior. However, counseling is not considered formal discipline.

Suspensions and terminations are only appealable at Step 4 (Arbitration) of the grievance procedure as outlined in Article 9, Section 9.5 (E). The Union shall notify the Manager of Labor Relations of their intent to arbitrate such cases within fourteen (14) calendar days of the notice of corrective action.

Section 11.3 Disciplinary Action. The prerogative to counsel and issue reprimands rests solely within the Bargaining Unit member’s chain of command. Where there is reason to believe that a Bargaining Unit member has engaged in conduct that may lead to suspension without pay, reduction in pay or removal, a Pre-Disciplinary hearing will be scheduled. The University shall provide the Bargaining Unit member with all available evidence supporting the allegations.

Section 11.4 Pre-Disciplinary Hearing. When allegations are specified by the University, a Pre-Disciplinary hearing shall be scheduled at which the Bargaining Unit Member will be given an opportunity to offer an explanation of the alleged offense/misconduct. Pre-Disciplinary hearings will be conducted by the University (or designee).

Not less than seven (7) calendar days prior to the scheduled Pre-Disciplinary hearing, the University will provide the Bargaining Unit member with written notice of the allegations. The Bargaining Unit member may choose to:

1. Appear at the hearing to present an oral or written statement in defense of said allegations;
2. Appear at the hearing with a Union representative or union attorney; or
3. Elect to waive (in writing) the opportunity to have a Pre-Disciplinary hearing.

A written decision will be prepared by the University (or designee), providing the disciplinary penalty to be imposed, if any. A copy of this written decision will be provided to the Bargaining Unit member.

In lieu of suspension without pay of five (5) days or less, an Employee may request to forfeit accrued leave (except sick leave) on an hour for hour basis. At the University’s discretion, should the parties agree to a forfeiture of such leave, it shall constitute corrective action of record. Such forfeiture shall be noted in the Employee’s personnel file and shall constitute the final resolution of the University’s charges.

Section 11.5 Retention of Disciplinary Records. All disciplinary actions of record will be maintained in each Bargaining Unit member’s personnel file throughout the period of employment. However, once records of discipline no longer have force and effect per this section the Employer
shall remove the records from the member’s personnel file. Record of written reprimands will not be considered for purposes of future disciplinary action more than twelve (12) months after issuance provided that no further misconduct has occurred within said twelve (12) month period following issuance. Suspensions will not be considered for purposes of future disciplinary action more than two (2) years after issuance provided that no further misconduct has occurred within said two (2) year period following issuance.

In the event that misconduct occurs during the appropriate time limit(s), the initial disciplinary action shall be considered for the duration of the time period for which the most recent documented disciplinary action is to remain in effect, pursuant to this Article.

ARTICLE 12
PERSONNEL RECORDS

Section 12.1 Personnel File. One official personnel file shall be maintained for each Bargaining Unit member and shall be in the custody of the University. The personnel file shall contain all the official records of the University regarding an individual Bargaining Unit member with the exception of medical records. Medical records shall be maintained in a separate file pursuant to applicable federal and state law and shall be considered confidential.

Section 12.2 Review of Personnel Files.

A. Every Bargaining Unit member shall be allowed to review their personnel files at any reasonable time upon written request to the University. Bargaining Unit members may also authorize their Union Representative or attorney to review the personnel file. Such request shall be made to the Manager of Human Resources for Public Safety directly responsible for maintenance of such files. No information in a Bargaining Unit member’s personnel file will be shared with anyone outside the University, except as required by law. Once every calendar year, a Bargaining Unit member may make one (1) copy of the documents in their file at the University’s expense.

B. If a request is made to inspect and/or copy records within the bargaining unit member’s personnel file pursuant to Section 149.43 of the Ohio Revised Code, and if the University complies with this request, the University shall provide notification to the Bargaining Unit member of the nature of the request.

Section 12.3 Inaccurate Documents. Should any Bargaining Unit member have reason to believe that there are inaccuracies in documents contained in their personnel file; the bargaining unit member may notify the University in writing of the alleged inaccuracy. The Bargaining Unit member shall have the right to submit a written statement detailing their objections to the materials in question. Such statements by the Bargaining Unit member shall be attached to the material objected to.
Section 12.4 Material in Personnel Files. Bargaining Unit members shall be informed of the placement in their personnel files of documents that are likely to result in an adverse job action. Bargaining unit members shall be entitled to a copy of any document placed in their personnel files.

A Bargaining Unit member’s signature on any performance evaluation shall be viewed by the parties hereto only as representation that the Bargaining Unit member has read it, and shall not be viewed as a representation that the Bargaining Unit member has concurred with the contents or comments thereon. Except as provided in Section 17.2, the Bargaining Unit member shall be the last person to sign a document requiring signatures and no other comments may be made on record copies thereafter. The Bargaining Unit member shall receive a copy of the evaluation in its final form when the Bargaining Unit member signs it.

ARTICLE 13
PROBATIONARY PERIOD

Section 13.1 Probationary Period. Every newly hired Bargaining Unit member will be required to successfully complete an initial probationary period. The initial probationary period shall be twelve (12) months from the date of hire. A newly hired probationary Bargaining Unit member may be terminated at any time during the initial probationary period and shall have no right to appeal the termination under the grievance procedure of this contract.

Bargaining Unit members will be unable to transfer or promote from their original position during the first six (6) months of their initial probationary period.

Section 13.2 Promotional Probationary Period. Every newly promoted Bargaining Unit member will be required to successfully complete a promotional probationary period. The promotional probationary period shall be six (6) months from the date of promotion. Failure to complete the promotional probationary period will result in the Bargaining Unit member being moved back to their original position.

Section 13.3 A probationary Bargaining Unit member absent from work for more than ten (10) days during the member’s probation may have the probationary period extended by the amount of days the member is absent over the ten (10) days.

ARTICLE 14
REDUCTION IN FORCE AND FURLOUGH

Section 14.1 University Pledge. The University agrees that all layoff and recall procedures affecting Bargaining Unit members utilized by the University shall be consistent with applicable
provisions of the University rules for the Classified Civil Service (Section 3335-81) to the extent that such provisions are not in conflict with the terms of this article.

If the University decides a reduction in force is necessary, the Union and the employee(s) involved shall be given at least a thirty (30) day calendar notice prior to the effective date of the layoff. Upon request of either party, the University and the Union may meet prior to the effective date of the layoff to discuss alternatives to the layoff and the effect of the layoff on the Bargaining Unit members.

A layoff becomes effective at the end of the working day named in the written layoff notice. An employee’s seniority becomes frozen at the time the layoff becomes effective.

In the event such a decision to reduce the workforce is made, the following procedure shall be used.

A. Prior to laying off any bargaining unit members, all part-time (less than forty [40] hours per week), temporary, and newly hired probationary Campus Security Officers will be laid off first.

B. If after all part-time (less than forty [40] hours per week), temporary, and newly hired probationary Campus Security Officers have been laid off and the University decides further reduction in force is necessary in one or both classifications, bargaining unit members shall be laid off in accordance with their least number of years of total classification seniority as defined in the seniority article of this Agreement.

**Section 14.2 Exercise of Displacement Rights.** Bargaining Unit members laid off as a result of this article may exercise displacement rights only within the Bargaining Unit. No Employee outside the Bargaining Unit shall be permitted to displace any Bargaining Unit members during the time that a reduction in force under this article is in effect.

For the purpose of a reduction in force, classification seniority will be used. If a reduction in force results in a Campus Security Officer 2 (SO2) being laid off, they shall have the right to displace a Campus Security Officer 1 (SO1) with less overall bargaining unit seniority. Displacement rights exercised under this paragraph shall result in assignment to an SO1 position. When a member exercises displacement rights under this paragraph, the member will return to their former SO1 rate of pay plus any increases to which the member would otherwise have received.

**Section 14.3 Recall.** Laid off employees are eligible to be recalled to the bargaining unit position from which they were laid off in the inverse order in which they were laid off.

The University shall provide notice of recall to laid off employees by certified mail at their last known address. The employee shall be responsible for providing the University with a current address. Recall rights are lost if the employee fails to accept the offered position within seven (7) calendar days from the recall notice. If the employee is on vacation or absent from his or her residence for more than seven (7) consecutive calendar days for any reason, the employee must
provide the University with an address where the recall notice can be received. The laid off employee’s return to work after accepting a recall will be set by mutual agreement between the employee and the University.

A laid off employee is eligible for recall pursuant to this article for one (1) year from the effective date of the layoff, after which the employee loses all seniority and is no longer eligible for recall.

Section 14.4 Furloughs. The parties acknowledge that the University promulgated an Interim Policy concerning Furloughs (Policy Number 4.50) that was effective July 1, 2020 that is applicable to those covered by this Agreement. Prior to initiating any furloughs, the University agrees to notify the FOP/OLC in writing. The Union reserves its right to bargain any specific details should the University announce impending furloughs in the Department of Public Safety that affect this bargaining unit. If the University and Union cannot reach agreement on furloughs within fourteen (14) calendar days of notice to the Union of the need for furloughs, the University may proceed to layoff staff pursuant to this Article.

ARTICLE 15
SENIORITY

Section 15.1 Seniority. Seniority shall be defined as a Bargaining Unit member’s uninterrupted length of continuous service with the University as a full-time Campus Security Officer 1 (SO1) and Campus Security Officer 2 (SO2), excluding leave without pay that does not otherwise fall within the Family Medical Leave Act (FMLA). Seniority for Bargaining Unit members on extended military leave shall be calculated in accordance with the applicable provisions in state and federal law on military leave.

For purposes of shift bid and vacation approval, classification seniority shall be used. Classification seniority shall be defined as the continuous length of service in either the SO1 position or the SO2 position.

Bargaining unit members who promote from SO1 to SO2 shall have their SO1 date frozen at the time of promotion. If a member demotes from SO2 back to SO1, the SO1 seniority date will be used.

Section 15.2 Termination of Seniority. A Bargaining Unit member’s seniority shall terminate if the Bargaining Unit member:

A. Quits or resigns for a period of more than twelve (12) months.
B. Is discharged for cause.
C. Fails to report to work as scheduled after leave of absence or recall from layoff.
D. Retires under the applicable state retirement system.
Section 15.3 Seniority List. The University shall provide the local Union Representative with a copy of an updated seniority list during January of each year. The seniority list shall contain, in order of seniority, the name and seniority date of each bargaining unit member.

Section 15.4 Seniority Tie Breaker. Should two members in the position of Campus Security Officer 1 have the same seniority date in that position, date of application at the University for the role of full-time Campus Security Officer 1 shall be used as the tie-breaker.

Should two members in the position of Campus Security Officer 2 have the same seniority date in that position, total service as a full-time Campus Security Officer 1 shall be used as the tiebreaker. Should there still be a tie, date of application at the University for the role of full-time Campus Security Officer 2 shall be used as the second tie-breaker.

ARTICLE 16
NO STRIKE – NO LOCKOUT

Section 16.1 Union Pledge. The parties to this agreement mutually recognize that the services performed by Bargaining Unit members are services essential to public order and safety. The Union, therefore, agrees that during the term of this agreement there shall be neither interruption of these services, for any cause whatsoever, by Bargaining Unit members, nor shall there be any concerted failure by them to report for duty, nor shall they absent themselves from their work, stop work, or abstain in whole or in part from the full, faithful and proper performance of the duties of their employment. The Union further agrees that there shall be no strikes, sit-downs, slow-downs, speed-ups, "blue-flu", stoppages of work or any acts or other alterations of existing work performance patterns that interfere with the services of the University.

In the event there is a job action as prohibited by this article, the University agrees that there shall be no liability on the part of the Union, its Officers, or representatives provided that the University has immediately notified the union of said job action and the Union meets the following conditions:

A. Within not more than 12 hours after notification by the University of any such unauthorized action, the Union shall publicly disavow the same by posting a notice on a bulletin board, at the Department, stating that the job action is unauthorized.

B. The Union, its’ Officers, and representatives shall promptly order its members to return to work notwithstanding the existence of any job action.

C. The Union, its’ Officers, and representatives shall in good faith, use every reasonable effort to terminate such job action.

Section 16.2 University Pledge. The University agrees not to lockout Bargaining Unit members during the terms or extensions of this Contract.
**Section 16.3 Members’ Responsibilities.** If any Bargaining Unit member(s) is found in violation of section 16.1 such action shall render this entire agreement and the University’s responsibilities under it, null and void with respect to those Bargaining Unit members found in violation.

**ARTICLE 17**

**PERFORMANCE EVALUATION**

**Section 17.1 Performance Appraisal.** A Bargaining Unit member’s performance shall be evaluated on the basis of the duties and functions prescribed in the University position description of the Bargaining Unit member, unless specific duties or functions are exempted from such evaluation by the Director of Central Campus Security Services or unless, through no fault or act of omission on the part of the Bargaining Unit member, the Bargaining Unit member had no opportunity to perform any such duties or functions.

**Section 17.2 Performance Records.** A Bargaining Unit member’s signature on any performance evaluation, shall be viewed by the parties hereto only as a representation that the Bargaining Unit member has read it and shall not be viewed as a representation of concurrence in any or all of the contents or comments thereon. The Bargaining Unit member shall be the last person to sign a performance evaluation, except for the signatures of the Director of Central Campus Security Services and the Director for Public Safety. No evaluative comments may be made on record copies thereafter, unless the Bargaining Unit member is provided the opportunity to respond. The Bargaining Unit member shall receive a copy of the evaluation or any letter or document representing performance evaluation in its final form. Performance evaluations will be maintained in accordance with University policy 1.2, personnel records, which is six (6) years from the date of separation.

**ARTICLE 18**

**HOURS OF WORK AND OVERTIME**

**Section 18.1 Regular Work Week.** Forty (40) hours of work shall constitute a regular work week for Bargaining Unit members. Such hours may be scheduled in five (5) consecutive days of eight (8) consecutive hours per day, followed by two (2) consecutive days off.

**Section 18.2 Overtime.** For purposes of this Article “overtime” shall be defined as a work assignment which causes a Bargaining Unit member to be in active pay status more than forty (40) hours in a work week. When Bargaining Unit members are required by the Department to be in an active pay status for more than forty (40) hours in any work week, they will be compensated for such time over forty (40) hours at time and one-half their regular rate of pay.
The Director of Central Campus Security Services, or designee, shall determine the availability of overtime. Good faith efforts will be made to equally distribute overtime opportunities among bargaining unit members who are qualified to perform the work assigned, who customarily perform the work assigned and who are available for assignment. For the purpose of effecting equal distribution of departmental overtime, the department shall maintain a record keeping system of overtime worked by members. The system will require that overtime opportunities be offered to all qualified bargaining unit members and, whenever practicable, will result in the assignment of overtime to the member with the fewest overtime hours during the current fiscal year (July 1 through June 30).

**Section 18.3 Mandated Overtime.** It is understood by Bargaining Unit members that they shall make themselves available for required overtime work on orders from the University to assist during unexpected situations, which do not allow for pre-scheduling. Unscheduled overtime assignments (mandatory overtime) will be offered on a voluntary basis within a work area. If the mandatory overtime is not voluntarily picked up, it will be assigned to bargaining unit members based on inverse seniority in their position. Once a member has worked a mandatory overtime assignment, the member shall not be eligible to work another mandatory overtime assignment until all other bargaining unit members in their work area have also worked a mandatory overtime assignment.

**Section 18.4 Overtime Absence.** Once members volunteer to fill a pre-scheduled overtime assignment, they are obligated to work that assignment as if it was part of their regular work schedule. If, for some reason, the member who signed up to fill the pre-scheduled overtime assignment is unable to keep that obligation, that member is responsible to find a substitute to fill the assignment and notify the supervisor who the substitute will be. This requirement may be waived due to a documented illness, documented injury, or documented family emergency, in which case the member will contact the supervisor. In the event the member fails to provide the required documentation, the member may be subject to disciplinary action.

The University shall not charge leave balances of members for missed overtime assignments, nor shall members be entitled to use any type of accrued leave to receive compensation for such missed overtime assignments.

**Section 18.5 Report Back Pay.** When full-time Bargaining Unit members are ordered by the University to report back to work after the end of their regular work schedule and a Bargaining Unit member reports back, the Bargaining Unit member shall be paid for such time. The minimum pay for reporting is an amount equal to four (4) times the hourly base pay. This provision is not applicable to work that is a continuation of or immediately preceding the regular work schedule.

**Section 18.6 Compensatory Time.** A Bargaining Unit member may choose to take compensatory time in lieu of overtime compensation if such choice is indicated during the tour of duty in which the overtime is worked. Compensatory time shall be credited to the Bargaining Unit member and accumulated at the rate of one and one-half (1 ½) hours for each overtime hour worked.
Each Bargaining Unit member’s compensatory time bank shall be limited in accumulation to a maximum number of two hundred forty (240) hours. Once a Bargaining Unit member has reached the maximum hours of compensatory time as compensation for overtime hours worked, all additional overtime will be paid. The Bargaining Unit member may choose to carry over any balance into the following year. Any balance of compensatory time carried over into the following year shall count towards the two hundred forty (240) hour cap in that year.

Compensatory time off must be taken at a time agreeable to the Department and the Bargaining Unit member. Approval for compensatory time off shall not be unreasonably withheld. Compensatory time off should be requested as far in advance as possible but no later than forty-eight (48) hours in advance. When Bargaining Unit members request compensatory time off at least 45 calendar days in advance, the employer will, within five (5) working days of the request being made, notify the member whether or not his/her request has been approved. Approval for compensatory time shall not be unreasonably withheld. As soon as the employer notifies the member that his/her request has been approved, and if the employer determines that the shift will be filled, the employer will post the overtime assignment to cover the member’s request. If there are no volunteers to cover this need for overtime, and if the employer determines that the shift will be filled, a mandate to cover the shift will occur no less than seven (7) calendar days in advance of the beginning of the shift that needs to be covered. The employee being mandated will have the lowest number of overtime hours worked and will be notified by a supervisor. In the event the employee being mandated is on an approved leave and cannot be provided seven (7) calendar days notice, the supervisor shall mandate the employee with the next lowest overtime hours worked. When two or more Bargaining Unit members request compensatory time for the same day and operational needs require the limitation of the number of Bargaining Unit members who can be off, the Bargaining Unit member who submitted the request first will be granted the time off.

In situations where one or more Bargaining Unit members submit a compensatory time off request and one or more Bargaining Unit members submit a vacation time off request for the same day and operational needs require the limitation of the number of Bargaining Unit members who can be off, then the time off will be granted to the Bargaining Unit member who submitted their time off request first. Time submitted with less than forty-eight (48) hours may be approved at the discretion of the University subject to the scheduling and operational needs of the Department. Compensatory time off shall not be denied simply because the approval of such time may require another Bargaining Unit member to be scheduled to work in an overtime status.

Compensatory time that is earned, but not taken within 365 days of being earned, shall be automatically paid out to the bargaining unit member. The bargaining unit member will receive such pay out in their paycheck for the pay period which includes the 365th day.

Additionally, Bargaining Unit members may request to “cash out” up to eighty (80) hours of compensatory time once each year during the first two (2) weeks of November to be paid in the first pay period in December. A Bargaining Unit member who has accrued compensatory time shall, upon separation of employment from the University for any reason, including retirement or death, be paid for the unused compensatory time at a rate of compensation not less than the final
regular rate received by the Bargaining Unit member, while working. In the event of death, payment shall be made to the next of kin or to the estate of the deceased member.

**Section 18.7 Work Schedules.** Work schedules are defined as Bargaining Unit members’ regularly assigned hours of the day and days of the week. A temporary change in Bargaining Unit members’ work schedule will be made known to the affected Bargaining Unit member at least fourteen (14) calendar days in advance, unless mitigating circumstances, beyond the control of foreseeability of the scheduler, requires such change in fewer than fourteen (14) calendar days. A temporary assignment will be no longer than eighty (80) working hours, and the affected Bargaining Unit member shall not be moved more than twice in a calendar year unless mutually agreed upon by Management and the Bargaining Unit member to meet a special need of the Department, in which case the aforementioned time requirement may be waived. Said schedule may be changed to grant a Bargaining Unit member’s request to receive earned compensatory time off if such schedule change is consistent with the efficient and effective operations of the Department. Once posted, individual Bargaining Unit member’s work schedule will not be changed for the purpose of avoiding overtime and compensatory hours accumulation.

**Section 18.8 Assignment Selection.** The University will determine and post the number of positions to be assigned to each work schedule, which will consist of up to three bids per year in the Wexner Center for the Arts and up to two bids per year in the other areas. The completed schedule will be posted no later than 30 days prior to its implementation date. The desk assignments at the Biomedical Research Tower and at Blankenship Hall are not subject to the above. Should either assignment become vacant and the University determines to fill the assignment, it will be filled through an interview process. An email notice will be sent to eligible bargaining unit members who may then express interest in the open assignment.

**Section 18.9 Shift Trading.** Members shall be permitted to request to trade a shift in cooperation with one other member. Shift trades may be done between any two members as long as both are in agreement. When the two members mutually agree to trade a shift between themselves, it shall be done within the same pay week. Both members shall notify their immediate supervisor in writing. The shift trade shall only be done with the prior approval of the immediate supervisor. Once the shift trade has been approved, each member is obligated to fulfill his or her part of the agreement as if he or she had been originally assigned to work that shift. When participating in a shift trade as described in this section, neither member will receive overtime pay unless they meet the overtime threshold as stated in Section 18.2.

**Section 18.10 Training Assignments.** When the University determines a need for Bargaining Unit members to be trained, the University may require Bargaining Unit members to report for training assignments outside their normal work hours.

**ARTICLE 19**

**COMPENSATION**
Section 19.1 Base Wages.

A. Effective September 1, 2024, bargaining unit members will receive a market adjustment in accordance with the table below:

<table>
<thead>
<tr>
<th></th>
<th>Entry Rate</th>
<th>After Probation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Campus Security Officer 1 (CSO1)</td>
<td>$20.00</td>
<td>$21.00</td>
</tr>
<tr>
<td>Campus Security Officer 2 (CSO2)</td>

</tbody>
</table>

Any Bargaining Unit members hired prior to January 1, 2007 who are earning more than the “After Probation” rate above as of June 30, 2024 shall receive a 3.5% increase to their base hourly rate and shall receive a one-time lump sum payment of $750.00 (subject to all applicable withholdings) effective the pay period which includes September 1, 2024.

At the discretion of the Director of Public Safety, a new CSO1 or CSO2 may be offered a wage rate commensurate with the new CSO1 or CSO2’s prior relevant experience compared to that of an existing Bargaining Unit member with the approval of the Office of Human Resources.

B. Effective the pay periods which include September 1, 2025 and 2026, the base hourly rate of Bargaining Unit members and the above chart will be adjusted to the equivalent of the aggregate percent increase established for non-bargaining unit Classified Civil Service employees in the fiscal year 2026 and 2027 guidance memorandum issued by the University for the annual merit compensation process for non-bargaining unit Classified Civil Service employees.

C. Notwithstanding Section (C) above, Bargaining Unit members who receive a “does not meet” on the member’s annual performance evaluation will instead receive no base pay rate increase.

Section 19.2 Shift Differential. Bargaining Unit members who work a minimum of four (4) consecutive hours between the hours of 3:00 p.m. and 7:00 a.m. will receive a shift differential of fifty cents ($0.50) per hour for only those hours worked between 3:00 pm and 7:00 am.

Section 19.3 Officer-in-Charge. Any Bargaining Unit member assigned as an Officer-in-Charge shall receive a 10% pay supplement for all hours worked.

ARTICLE 20
VACATIONS

Section 20.1 Vacation Accrual. The University will provide vacation leave for Bargaining Unit members in accordance with Policy 6.27 – Paid Leave Programs as currently in effect at the time of the ratification of this Contract. The parties expressly agree this contract language and the policy
referenced herein will supersede any accrual provision in the Ohio Revised Code including but not limited to O.R.C. Section 9.44.

**Section 20.2 Vacation Requests.** Vacation will be scheduled at such times as shall be mutually agreeable to the Bargaining Unit member and the Director of Central Campus Security Services (or designee). The University reserves the right to limit the number of Bargaining Unit members permitted to be on vacation at any one time where the efficiency and operational needs of the facility will be disrupted.

**Section 20.3 Rescheduling of Leave.** Typically, leave approvals will not be rescinded. However, the University reserves the right to rescind the Bargaining Unit member’s vacation due to unforeseen circumstances. The University will work with the Bargaining Unit member to reschedule the member’s vacation.

**ARTICLE 21**
**HOLIDAYS**

**Section 21.1 Recognized Holidays.** The University will provide holiday benefits for Bargaining Unit members in accordance with Policy 6.20 – Holiday as currently in effect and as may be amended by the University during the term of this Contract.

**ARTICLE 22**
**INSURANCE**

**Section 22.1 Insurance.** The University will provide group health benefits to bargaining unit members on the same basis and costs as such benefits are provided to all other non-bargaining unit staff at the University.

Bargaining unit members who choose to participate in all or any part of the University-wide program of insurance benefits shall pay the employee's share of premiums, deductibles and other costs as established by the University.

**ARTICLE 23**
**UNIFORMS AND EQUIPMENT**

**Section 23.1 Uniforms and Maintenance.** The University will furnish and maintain all uniforms which are provided at the time of ratification. Maintenance includes any required alterations and repairs. For Fiscal Year 2021 only, the University shall provide each member with at least one pair of approved uniform footwear. Thereafter, members, at their own expense, are responsible for furnishing footwear consistent with their assignments and compliant with divisional standards.
Section 23.2 Uniform Replacement. Uniform parts which are damaged, or otherwise rendered unsuitable in appearance for regular duty, as determined by the Director of Central Campus Security Services, will be replaced by the University at no cost to the member unless as provided in Section 3 below. Requests for replacement of damaged uniforms parts will be submitted in writing to the Director of Central Campus Security Services or designee for approval. Such requests will include a statement of the circumstances leading to the damage and submission of the damaged item.

Section 23.3 Negligence. A uniform or equipment item issued or assigned to a Bargaining Unit member which is damaged, destroyed, or lost through negligence of the member shall be replaced or repaired at the member’s expense, but in an amount not to exceed thirty ($30.00) dollars per uniform item or fifty ($50.00) dollars per equipment item unless there is evidence of gross negligence.

Section 23.4 Storage Spaces. The University will provide each Bargaining Unit member with a locker along with a lock. The Union acknowledges and understands that while the locker and lock are the University’s property, the University will not enter a Bargaining Unit member’s locker except for a legitimate business reason, such as to enforce University policy, as part of a criminal investigation or in accordance with law. Members shall have the sole responsibility to clean and maintain their University provided storage spaces.

Section 23.5 Additional Equipment. The University and the Union believe that communication between Employees and Supervisors is essential in the workplace. Proposals concerning equipment are appropriate subjects for the labor management committee as set forth in Article 6.

ARTICLE 24
SICK LEAVE

Section 24.1 Accrual. The Union and the University agree that regular attendance at work by each Bargaining Unit member is necessary in order to maintain continuous, efficient University services and operations and to prevent hardships on other employees. It is expected that Bargaining Unit members will not routinely use sick leave as fast as it accrues, but rather that Bargaining Unit members will accumulate sick leave to the extent possible to serve as "insurance" in the event of illness or injury. Sick leave credit shall be earned at the rate of 4.6 hours for every eighty (80) hours of service in an active pay status, including paid vacation, overtime, and sick leave, but not during a leave of absence or layoff. Sick leave payment will not exceed the normal scheduled workday or work week earnings.

Section 24.2 Sick Leave Use. Sick leave shall be granted provided the Bargaining Unit member complies with University policies as well as the following:

1. Mark off procedures outlined in this article
2. Proper submission of a sick leave request setting forth the general reasons for the sick leave request as outlined in this article.

3. The submission of a physician’s/dentist statement when sick leave is requested for a physician/dentist appointment. Such physician/dentist statements will contain the physician’s/dentist’s signature, date of appointment and the general nature of the office visit.

4. If a Bargaining Unit member request sick leave for three (3) or more consecutive work shifts the Bargaining Unit member must submit a statement from a healthcare provider.

Sick leave shall be charged in minimum units of one-tenth (6 minutes) of an hour. It is understood that members shall, schedule medical/dental appointments so as to not disrupt the operations of their Department. A Bargaining Unit member shall be charged for sick leave only for days upon which the member would otherwise have been scheduled to work. Sick leave requested for a doctor/dentist visit will only be granted for time spent at the doctors/dentist’s office and reasonable travel time.

A. Sick leave may be requested for the following reasons:

1. Illness of the Bargaining Unit member or an immediate family member.
2. Medical, dental, or optical examinations or treatment of the Bargaining Unit member or an immediate family member, which requires the presence of the Bargaining Unit member, and which cannot be scheduled during non-working hours;
3. If a member of the immediate family is afflicted with a contagious disease or requires the care and attendance of the Bargaining Unit member or when, through exposure to a contagious disease, the presence of the Bargaining Unit member on the job would jeopardize the health of others;
4. Pregnancy and/or childbirth and other conditions related thereto.
5. Injury of the Bargaining Unit member.

B. Immediate family shall be defined as: spouse; domestic partner; mother; father; sister; brother; biological, adopted, or foster child; stepchild; legal ward; grandparent; grandchild; mother-in-law; father-in-law; sister-in-law; brother-in-law; daughter-in-law; son-in-law; grandparent-in-law; grandchild-in-law; or corresponding relatives of the employee's partner; other persons for whom the employee is legally responsible; and anyone who stood in loco parentis to the employee as a child. When using sick leave for illness, injury, examination, or death of a domestic partner, a completed and notarized Affidavit of Domestic Partnership or certification of domestic partnership must be on file with the department and with the Office of Human Resources.

C. A violation of the Department’s attendance policy may result in corrective action in accordance with Article 11 of this agreement, whether or not the sick leave has been approved and/or paid.

Section 24.3 Mark-Off. When a Bargaining Unit member is unable to report to work, the Bargaining Unit member shall notify the member’s immediate Supervisor or other designated person, as soon as possible but no later than two (2) hours prior to the member’s assigned shift,
absent extenuating circumstances, and shall leave a telephone number where the member may be reached by the Supervisor.

Section 24.4 Continuation of Leave. A Bargaining Unit member who is absent due to illness or injury and can provide satisfactory evidence of same, and who has exhausted all accrued sick leave, will be permitted to charge such absence to the member’s available vacation time or compensatory time.

Section 24.5 Retirement Conversion. Bargaining Unit members retiring with 10 or more years of state service will be paid one-fourth of the sick leave balance up to a maximum payment of 240 hours. Payment is based upon the rate of compensation at the time of retirement. The onetime retirement pay out of sick leave eliminates all accrued sick leave on record. These same provisions apply to Bargaining Unit members who die with 10 or more years of state service, with the sick leave pay out paid to the estate.

Section 24.6 Family and Medical Leave. Family and Medical Leave and Parental Leave will be provided in accordance with Federal Law and University Policy.

Section 24.7 Ohio State Employee Assistance Program. The University and the Union recognize the value of the Ohio State Employee Assistance Program (EAP) to aid Bargaining Unit members who may experience some form of personal difficulties which may interrupt or cause deterioration in work performance. The EAP serves as a readily accessible link between a Bargaining Unit member seeking assistance and the appropriate problem-solving resource. The referral and consolation services provided by EAP are free, confidential and voluntary. Any information revealed by a Bargaining Unit member in connection with the EAP will remain confidential and will not become part of the member’s record. Bargaining Unit members seeking assistance shall not have their condition of employment jeopardized by their participation with the EAP program.

MEMORANDUM OF UNDERSTANDING
FOP/OLC and The Ohio State University

This Memorandum of Understanding (MOU) is entered into between the Ohio State University (the Employer) and the Fraternal Order of Police, Ohio Labor Council, Inc. (the Union) for the purpose of modifying the procedure utilized in the Collective Bargaining Agreement regarding the assignment of overtime in short notice situations. Short notice situations shall be defined as forty-eight (48) hours or less on regularly scheduled shifts.

The parties agree that:

In the event that unforeseen circumstances, such as call-offs, require a Bargaining Unit member to work overtime where the Employer has not had the opportunity to pre-schedule the hours, the following procedure will be used:

1. As soon as the Director of Campus Security Services or designee is made aware of the need for additional staff, the Director of Campus Security Services or designee will ask the on-duty Bargaining Unit members if they are willing to cover the needed shift. If multiple members are interested, the shift shall be awarded to the most senior member.

2. If no on-duty Bargaining Unit member volunteers, it will be assigned to the bargaining unit member with the least amount of seniority who is either 1. currently on shift or, 2. the bargaining unit member scheduled to come in on the next shift if the member is able to be contacted. Once a member has worked a mandatory overtime assignment, the member shall not be eligible to work another mandatory overtime assignment until all other bargaining unit members in their work area, on the current or future shift, have also worked a mandatory overtime assignment.
3. A member mandated pursuant to this procedure may then contact other Bargaining Unit members to see if any of them are interested in working the needed shift. If another member agrees to cover the shift, then this agreement shall be documented in an email between the parties and notifying the shift supervisor.

4. If no other Bargaining Unit member is willing to work the overtime assignment, the mandated member is required to work the overtime assignment.

5. Any changes or revisions to this MOU shall be in writing and mutually agreed upon by the parties. This MOU will expire on June 30, 2027 unless the parties mutually agree to extend it.

Situations involving scheduled overtime which is not on short notice shall be governed by the current provisions found within the Collective Bargaining Agreement regarding mandatory overtime. All mandatory overtime, short notice or otherwise, shall not be assigned to bargaining unit members who are on approved leave or on their regular days off abutting approved leave.
