

Affiliated Groups and the HRA

Your Plan for Health (YP4H)

Employees who work for affiliated groups external to The Ohio State University can earn access to a Health Reimbursement Account (HRA) through participation in Ohio State's Your Plan for Health (YP4H) Incentive Program. The university adds the credits you earn to your personal HRA after the completion of wellness activities.

For more information on the Incentive Program, visit yp4h.osu.edu/rewards. To start earning HRA credits, visit yp4h.osu.edu and click "Log In To YP4H" at the top.

Requesting Reimbursement for HRA credits

To access your Ohio State Health Reimbursement Account (HRA)

1. Register your online account by visiting HealthEquity.com/WageWorks.
2. Select the "Log In/Register" button.
3. Click "Employee Registration" to create your new unique credentials. When asked for your ID Code in the self-identification process, use the last four digits of your Ohio State-assigned employee ID.
4. Complete your profile by:
 - Entering your contact information
 - Specifying your email and text notification preferences
 - Identifying your preferred reimbursement method – check or direct deposit
 - Creating a username and password for ongoing access.

If you have any questions, please contact HealthEquity Customer Service at 1-877-924-3967. Customer Service can be reached 24 hours, 7 days a week.
