ARTICLE 1 - RECOGNITION

Section 1: This agreement is made and entered into this 14th day of March, 2014, by and between the Ohio Nurses Association, hereinafter referred to as “ONA,” the Ohio State University Transplant Nurses Organization, hereinafter referred to as “OSUTNO,” The Ohio State University, hereinafter referred to either as the “University” or the “Hospital” or the “Medical Center.”

Section 2: The employee group covered by this Agreement includes all registered nurses employed by the Medical Center in the following positions:

- Lung Transplant Coordinator
- Ventricular Assist Device Program Coordinator
- Heart Transplant Coordinator
- Transplant Coordinator
- Transplant Discharge Coordinator

Non-registered nurses employed in the above-listed positions, registered nurses employed in areas or departments not specified above (including but not limited to Bone Marrow Transplant Patient Coordinators), nurse managers, other supervisory employees, and all other employees are excluded from the employee group covered by this Agreement. The employee group covered by this Agreement will be hereinafter referred to interchangeably as “employees,” “bargaining unit employees,” “bargaining unit members,” or “nurses.”

Section 3: The University agrees that, during the term of this Agreement, it will not recognize or negotiate with any other organization or association as a representative of bargaining unit employees.

Section 4: In the event that the University establishes any new position, area, or department for registered nurses in the Comprehensive Transplant Center, it will meet with the ONA to discuss whether it should be included in the employee group covered by this Agreement. In the event the parties fail to reach agreement as to the inclusion or exclusion of such position, area, or department, such question may be submitted to arbitration under this Agreement.

Section 5: It is not the University’s intent to change the job title or job description of the positions listed in Section 2 of this Article for the purpose of eliminating bargaining unit positions or for other than legitimate reasons related to operational effectiveness and efficiency.

Section 6: Agency nurses shall only be used to supplement and not to replace nurses covered under this Agreement.

ARTICLE 2 - ONA MEMBERSHIP

Section 1: It is agreed that all nurses who are members of ONA and “The Ohio State University Transplant Nurses Organization,” hereinafter referred to as “OSUTNO” thirty (30) days after the signing of this Agreement, and all nurses who join ONA and OSUTNO during the term of this
Agreement shall retain their membership in good dues standing. It is agreed that members of ONA and OSUTNO who wish to terminate their memberships may do so, upon written notice to both ONA and the Hospitals during the month of October each year, and membership in the ONA and OSUTNO shall no longer be a condition of employment for a nurse who so resigns.

Section 2: Effective upon ratification of this Agreement, nurses who do not desire to become members of ONA and OSUTNO shall pay a fair share fee to ONA as a condition of employment. All nurses hired after contract ratification who do not become members in good standing of ONA and OSUTNO shall pay a fair share fee to ONA effective 60 days from date of hire as a condition of employment. The fair share fee amount shall be certified in writing to the Hospitals by ONA. The deduction of the fair share fee from any earnings of the nurse shall be automatic, as required by law, and does not require a written authorization for payroll deduction. Payment to ONA of fair share fees shall be in accordance with regular dues deduction as provided herein. Those nurses who have religious objections to union membership or to paying a fee as described above and who meet certain criteria may pay an equivalent sum instead to an agreed-upon nonreligious charitable fund.

ARTICLE 3 - ONA DUES DEDUCTION

Section 1: The University agrees to deduct monthly ONA dues in whatever sum is authorized by ONA from the pay of nurses in an active pay status upon receipt of a voluntary written authorization executed for that purpose. A copy of the authorization form is attached as Appendix A.

The University will also deduct Ohio State University Transplant Nurses Organization (OSUNO) dues in whatever sum is designated in writing by the local unit chairperson from the earnings of each nurse who has signed a payroll authorization form provided by ONA.

Section 2: The University's obligation to make such deductions shall terminate automatically upon termination of the employment of the nurse who signed the authorization. If the nurse is transferred to a position with the University not covered by this Agreement, the University will continue such deductions until and unless the nurse notifies the University in writing to discontinue the deduction of dues.

Section 3: Deductions provided for in this Article shall be transmitted electronically to ONA no later than the 20th day of the month following the month of the dues deduction. The University will electronically furnish ONA, together with its check for ONA dues, an alphabetical list of all nurses whose dues have been deducted.

Section 4: ONA agrees that it will indemnify and save the University harmless from any action arising from the deduction of any dues/fees as provided in this article and Article 2 once the dues/fees have been deducted and transmitted to ONA.

Section 5: Nurses may obtain and submit Authorization for Payroll Deduction of Association Dues forms at the Hospitals' Office of Human Resources.
Section 6: Within thirty (30) days after the effective date of this Agreement, and on a monthly basis thereafter, the University will electronically provide the ONA an alphabetized list of bargaining unit nurses and their home addresses. On a monthly basis, the Hospitals' Office of Human Resources will provide the ONA an alphabetized list of bargaining unit nurses including: name, title, date of hire and hospital cost center.

ARTICLE 4 - ASSOCIATION ACTIVITY

Section 1: Representatives of the ONA may enter the Medical Center for purposes of meeting with employees covered by this Agreement and the Medical Center’s representatives under the grievance procedure provided herein or for purposes related to the ONA’s educational activities with the permission of the Administrator of Human Resources. Such representatives shall be subject to the regulations applicable to non-employees and to such other reasonable regulations as the Medical Center may establish.

Section 2: OSUTNO may designate up to three (3) bargaining unit members to serve on the ONA negotiating committee. Subject to the coverage needs of the Comprehensive Transplant Center, the designated registered bargaining unit members will be excused from regular work duties with pay for the day on which the meeting is held. ONA Negotiating Committee members shall automatically be excused to attend negotiating sessions. Nurses shall be permitted to trade scheduled on-call duties on the day preceding scheduled negotiations or on the day of negotiations with another bargaining unit member.

Section 3: ONA or OSUTNO materials may be posted with advance review of the Administrator of Human Resources on a reserved space of a single bulletin board in each facility where bargaining unit employees are employed that is agreed upon by ONA and the Medical Center.

Section 4: Material for posting shall concern ONA or OSUTNO unit meetings and other ONA or OSUTNO business, social, recreational or educational meetings. Notice of a political or controversial nature shall not be posted.

Section 5: The ONA, through the OSUTNO President or officers, will have reasonable access to bargaining unit employees’ mailboxes upon prior approval of the appropriate supervisor.

ARTICLE 5 - MANAGEMENT RIGHTS

Section 1: The management of the University, the control of the premises, and the direction of the nursing force are vested exclusively with the University. The right to manage includes the right to hire, assign, transfer, promote and lay off; to discipline, demote, suspend or discharge nurses for just cause; to establish, abolish, modify and/or combine positions and the job content thereof; to determine the shifts, starting times, and the number of hours to be worked by nurses; to determine staffing and staffing patterns including, but not limited to the assignment of nurses as to numbers employed, duties to be performed, qualifications required, and areas worked; to determine the scope and nature of medical treatment and care to be rendered and the type and amount of equipment and supplies to be utilized in providing such care; to determine the method
and means by which its operations are to be carried on; to maintain maximum efficiency in all of its operations; and to carry out the ordinary and customary functions of management subject only to such restrictions governing the exercise of these rights as are expressly specified in this Agreement; and provided further that these rights shall not be used for the purpose of discriminating against any nurse on account of membership in or activity on behalf of ONA as provided for in this Agreement.

The management rights set forth above are not all inclusive but merely indicate the type of matters or rights which belong to and are inherent in the management of the University. The University's failure to exercise any right reserved to it or its exercise of any right in a particular way shall not be deemed a waiver of any such right or preclude the University from exercising the same in some other way not in conflict with the Agreement.

ARTICLE 6 - PROFESSIONAL PRACTICE/LABOR MANAGEMENT COMMITTEE

Section 1: The Hospital recognizes that registered nurses have the right to subscribe to the ANA Code for Nurses. The Hospital supports and endorses this individual subscription to this Code. The Hospital is ultimately responsible for all patient care performed within the Hospital. The ONA recognizes that neither the Hospital nor any of their employees are governed by the ANA Code for Nurses.

Section 2: Professional Nursing Practice Committee and Labor Management Committee.

A. ONA and the Medical Center recognize the common goals of providing optimal patient care and a satisfying and productive work place which includes meaningful input of the registered nurse. Accordingly, two mechanisms exist to address these issues: Shared Governance, a process established by the Hospital and continued in its discretion, and a Committee established by this Agreement concerning Professional Practice and Labor Management relations. Meetings of the Committee will be held on at least a quarterly basis to discuss, examine and consider solutions on matters of mutual concern relating to professional nursing practice and labor relations. Shared Governance shall operate pursuant to the rules that govern its process.

B. Participants in the Committee shall consist of at least two (2) representatives of Nursing Service management and such other representatives as the Hospital shall designate (not to exceed six). The ONA shall be represented by the OSUTNO President, Vice President the ONA Staff Representative, and up to three additional bargaining unit members. By mutual agreement, either party may bring in non-participants who have information or resources which could assist in the resolution of agenda items.

C. Not less than five (5) days prior to each Committee meeting, the parties will propose agenda items outlining the topics they wish to discuss. If no agenda items are submitted, no meeting shall be held that month. Such topics shall be directly related to labor management relations, professional nursing practice, on-call practices, and interdisciplinary practice with physicians and interaction with non-registered nurse staff, management and administration, or any other issue agreed upon by the parties.
D. The Committee shall have no authority to modify the terms of the existing Agreement or settle any grievances arising under the Agreement.

E. The Committee will establish meetings times and administrative procedures. The ONA and the Hospital each will designate one of its committee members to serve as chairperson on a semiannual basis. The chairperson of each meeting shall appoint a committee member to act as secretary and prepare proposed minutes which shall be distributed to each committee member for approval and/or amendment at the next meeting.

F. The Committee, by mutual agreement, shall be authorized to resolve and/or make recommendations on those labor relations and professional practice matters which have been referred to the Committee by the parties to the Agreement.

G. After approval and/or amendment of the minutes of each meeting, the ONA may post the minutes on the bulletin boards located in each unit and in the Transplant office area.

H. The Shared Governance process will be available in addition to the Committee. Bargaining unit employees are represented in Shared Governance and fully encouraged to participate in that process. In the event that matters are addressed in the Unit Leadership Council, ONA members of the Committee shall be permitted to attend the Unit Leadership Council and participate.

Section 3: In the event a condition arises where a nurse or nurses have concern regarding nursing care, staffing or patient safety, this concern shall be communicated to the immediate supervisor for possible alternative solutions. Established nursing channels will be utilized for communication and problem solving. Nurses may submit written concerns to the Practice Council for consideration and recommendations for possible alternative solutions.

Section 4: Bargaining unit members required to attain a specialty certification, including CCTC, shall be permitted a time frame of three (3) years to meet this requirement.

Section 5: The primary responsibility of the registered nurse is patient care, and registered nurses covered by this Agreement shall not be required to perform professional nursing duties that exceed the scope of their practice under the provisions of the Nurse Practice Act, as amended.

ARTICLE 7 - EDUCATIONAL PROGRAM

Section 1: Employees covered by this Agreement will receive the university fee authorization program and dependent fee authorization program as currently in effect and as may be determined during the term of this agreement.

Section 2: Employees shall be compensated for all time spent attending mandatory educational conferences, seminars, or external educational programs. Cost of travel and registration fees will
be reimbursed in accordance with University policy. Attendance at these required programs shall not be considered to be the use of professional days as described in section 3 of this article.

**Section 3:** Employees shall be eligible for professional days to attend professional conferences, seminars or external educational programs if such conference, seminar or program is approved by the Director of Transplant Nursing. Each employee will be permitted to take up to five (5) days off per year for the purpose of attending such conferences, seminars or external educational programs. Requests for time off to attend these programs must be made to the nurse manager at least ten (10) days in advance of the date of the conference, seminar or external educational program. The Director of Transplant Nursing may cancel an approved professional leave if, in the opinion of the Director, operational needs require. If professional leave is cancelled by the Director, the Hospitals shall pay the employee for any registration fees and travel expenses, including room accommodations, which the employee cannot recover.

**ARTICLE 8 - ORIENTATION**

**Section 1:** All nurses employed by the Hospital shall participate in a general orientation. This program will be based on the concept that learning is facilitated when the learner is an active participant in the learning process. The orientation period will be dependent upon the specialty area requirements and demonstrated competencies of the individual. The orientation may be at least four (4) weeks provided the nurse has not previously completed a nursing orientation program at the Ohio State University Hospitals within the last year. The orientation program will include courses with content consistent with national care standards.

**Section 2:** **General Hospital Orientation**

Orientation conducted by Educational Development and Resources in cooperation with the patient care unit. During assigned unit time, information/observation will be provided by an appropriate staff person. Structured learning opportunities will be provided including, but not limited to the following topics: medication administration systems, cardiopulmonary resuscitation and other emergency procedures, legal responsibilities, infection control, theory and skills, interdepartmental communications, and OSU policies and procedures.

**Attainment of Unit-based Competency**

Application of skills in the clinical environment shall be under the direction of the unit preceptor. The unit preceptor will be an experienced nurse designated by the nurse manager who demonstrates clinical competence in their respective area. It is recommended that a registered nurse preceptor attend and complete the preceptor course offered by the Hospital. Orientation to the unit will include unit policies and procedures, patient care needs (theory/skills) and the concepts of the current method of patient care delivery. Patient care assignments are determined by the preceptor based on the nature of the patient population (nursing care requirements) and the learning needs of the orientee. Patient care assignments increase in complexity as orientee performance/competency indicates. The orientee should demonstrate evidence of integration of nursing concepts.
Section 3: During the orientation period, the orientation nurse shall have conferences at least weekly with either the preceptor and/or nurse manager to discuss the nurse’s progress/attainment of competencies. OSUTNO shall be provided a copy of the current competency criteria for each nursing unit.

Section 4: Orientation requirements may be modified by the nursing administration at the request of the nurse, preceptor, or the nurse manager depending upon the education, experience and demonstrative clinical competence of the nurse.

Section 5: During the first week of each orientation program, a list of registered nurses participating in such program and included within the employee group will be furnished to ONA and OSUTNO. Such list shall include the names, unit assignments and position title of the participants.

Section 6: The Hospitals will include written information prepared and furnished by ONA/OSUTNO relating to its contractual relationship with the University and a copy of the current ONA/OSU CTC collective bargaining Agreement in the written orientation materials distributed to orientation participants. The Hospitals will provide a thirty (30) minute period of paid time during the first week of each orientation program for the ONA designee to meet with the orientees to discuss the parties’ rights and obligations under the Agreement. The meeting shall be held during normal working hours.

ARTICLE 9 - PROBATIONARY PERIOD

Section 1: Newly hired employees in the bargaining unit, including those transferring from other positions at the University, shall be considered probationary employees for the first seven (7) months of their employment, with the exception of Transplant Discharge Coordinators, who shall be on probation for a period of five (5) months. During this time, the employee may be terminated or disciplined at will and any such termination or discipline shall not be subject to Article 12 of this Agreement. However, probationary employees may only process grievances concerning pay-related issues.

ARTICLE 10 - EMPLOYMENT

Section 1: An employee shall have the right to review their personnel file provided the review is in the presence of a representative of the respective department. An employee has the right to elect that an ONA representative be permitted to attend the review. An employee shall be timely provided a copy of their personnel file upon their written request.

Section 2: All employees covered by this Agreement shall be given a copy of their evaluation. The copy of the employee’s evaluation shall be presented to the employee at the same time as the original or in no event, later than the next work day.

Section 3: In order to provide optimal patient care, necessary equipment, including long-range pagers, cell phones, and computers will be made available at no cost to members of the bargaining unit who are required to be on call.
Section 4: All employees covered by the Agreement shall receive a copy of this Agreement as soon as possible after its effective date. Five (5) copies and an electronic version of the Agreement will be provided to the ONA.

Section 5: Bargaining unit members shall be eligible for an “A” parking sticker.

Section 6: OSUTNO will select one (1) representative to sit on the Ohio State University Health System Environment of Care Committee. This representative will report to the Labor Management Committee during its quarterly meeting.

ARTICLE 11 - NON-DISCRIMINATION

Section 1: There shall be no discrimination by the University or ONA against any bargaining unit member or applicant for employment in any manner relating to employment because of race, color, creed, national origin, sex, sexual orientation, disability, military status, Vietnam-era veterans’ status, disabled veterans’ status, age, gender identity or expression, religious affiliation or on account of membership or non-membership in, or activity on behalf of ONA as provided for in this Agreement.

ARTICLE 12 - GRIEVANCE PROCEDURE

Section 1: For the purposes of this Agreement, the term “grievance” is defined as a dispute between the University and ONA, or between the University and a nurse, or between the University and multiple nurses, concerning the interpretation and/or application of, or compliance with, any provision of this Agreement, or any other complaint or dispute concerning employee relations, working conditions and/or unjust or inequitable treatment.

Step 1. A nurse having a grievance may present it in writing to their nurse manager, either alone or accompanied by a representative of ONA. Any such grievance shall be presented within ten (10) working days after the nurse had knowledge of the event upon which the grievance is based and shall contain (1) a statement of the grievance, (2) the section(s) of this Agreement alleged to be violated, if any, and (3) the remedy or relief sought by the nurse. The nurse manager, or other designee, shall give the nurse a written answer within ten (10) working days after the grievance has been presented.

Step 2. If the grievance is not settled at Step 1 of this procedure, it may be presented to the Administrator of Human Resources at the Medical Center, or designee, within ten (10) working days after the step one response. The Administrator of Human Resources at the Medical Center, or designee, the grievant, no more than two (2) representatives of the University, and no more than two (2) representatives of ONA, of which no more than one (1) shall be a University employee who would otherwise be on duty, shall meet within ten (10) working days after the appeal has been filed. The Administrator or designee shall respond in writing within ten (10)
working days after the parties’ last meeting. A copy of said answer will be sent to the grievant’s home address and to ONA.

**Step 3.** If the grievance is not resolved as provided in Step 2, ONA may submit the issue to arbitration. ONA must notify the Administrator of Human Resources at the Medical Center in writing within fifteen (15) calendar days of its intention to do so.

In the event the matter is submitted to arbitration, the parties shall, by joint letter, solicit a panel of seven (7) arbitrators from the Federal Mediation and Conciliation Service. If the parties cannot agree upon one (1) of the listed arbitrators, a University representative and ONA shall alternately strike one arbitrator’s name from the list until one name remains. The remaining name shall be the duly selected arbitrator. The University agrees to allow the grievant and any necessary witnesses requested by ONA time off with pay to attend the hearing. The fees and expenses of the arbitration shall be borne equally by the University and ONA. A party who elects a transcript of the proceedings shall pay for the cost of their own transcript and provide a copy of the transcript to the arbitrator. If both parties elect a transcript, the cost of the transcript shall be borne equally.

The arbitrator shall have no authority to add to, subtract from, modify, change, alter or ignore in any way the provisions of this Agreement or any expressly written amendment or supplement thereto, or to extend its duration or to impose on either party a limitation or obligation not expressly provided for by the terms of this Agreement, unless the parties have expressly agreed in writing to give the arbitrator specific authority to do so, or to make an award which has this effect. The award of the arbitrator so made shall be final and binding on the parties.

By mutual agreement the ONA and the Medical Center may appoint a panel of at least seven (7) arbitrators to serve on a continuing basis. The panel shall be assigned cases in rotating order designated by the parties. If an arbitrator is not available to hear a case within 60 calendar days, the case will be assigned to the arbitrator who can hear the case at the earliest date. Arbitrators shall remain on the panel until their services are terminated by written notice by either party to the other provided that an arbitrator may not be removed pending a decision on any case. Following removal from the panel, the parties shall select a successor arbitrator.

**Section 2:** The time limitations provided for in this Article may be extended by mutual agreement of the University and ONA. In the event the Medical Center does not respond timely at Step 1 or Step 2 of Section 1, then the ONA may advance the grievance to the next step by written notification to the Medical Center.
Section 3: Unless an extension is agreed to by the parties, any grievance which has not been assigned to an arbitrator within 240 calendar days of the date of the request for arbitration is filed shall be deemed withdrawn without precedent.

Section 4: A grievance which affects a substantial number of nurses (three or more) may initially be presented at Step 2 of Section 1. Grievances which affect a substantial number of nurses, including probationary employees, may be filed by ONA.

Section 5: Grievances may be processed during working hours. Working days as used in this Article shall not include Saturdays, Sundays, or holidays. Nurses will be paid for time spent in grievance meetings, including time spent in preparation with ONA for one hour, and time spent in the hearing. Nurses will also be paid for time spent in arbitration, when such time is spent during their scheduled work time.

Section 6: A grievance may be cancelled at Step 2 two times by the ONA or the nurse. ONA may proceed with the grievance without the nurse in attendance. If a grievance is cancelled at Step 2 a third time by the ONA or the nurse, it is considered to be withdrawn without precedent.

Section 7: In the event ONA or an individual nurse is dissatisfied with the outcome of a corrective action hearing conducted by Human Resources pursuant to Article 13, Section 3 the decision may be submitted directly to arbitration by ONA.

ARTICLE 13 - CORRECTIVE ACTION

Section 1: The Hospital shall have the right to take corrective action on an employee for just cause. The parties agree that communication and feedback involving performance issues are essential to providing the highest quality of patient care. If a bargaining unit employee is to attend a meeting with the nurse manager and such discussion could lead to corrective action, an OSUTNO representative will be present upon the employee’s request.

Section 2: Verbal counseling regarding general performance will be communicated prior to formal corrective action being administered. In the event a notation of written corrective action is made by the Hospital, it shall be filed in the personnel record of the employee and the employee shall receive a copy of the corrective action. The employee shall be required to sign said corrective action attesting to receipt; however, the employee’s signature does not necessarily indicate agreement.

Section 3: The Hospital and the ONA agree that no employee covered by this Agreement shall be issued a final written reprimand, suspended, or discharged without first being given the opportunity to attend a hearing conducted by the Administrator of the Medical Center Human Resources, or designee, at which the employee and an ONA representative may present evidence to show cause why the employee should not be issued a final written reprimand, suspended, or discharged. The notice of the hearing and the information packet of the employee will be received by the ONA within five (5) working days in advance of the hearing and a copy will be delivered to the OSUTNO President and the affected employee(s). An ONA representative and
the OSUTNO President and/or designee will attend the hearing. The employee will be excused from regular work duties with pay for the hearing.

The written decision of the aforementioned hearing shall be sent to the employee (at the employee’s home address), the ONA and the OSUTNO President within ten (10) working days following the hearing.

Section 4: It is agreed that corrective action shall be taken according to the seriousness of the offense. Prior to corrective action, verbal counseling is encouraged, as appropriate. The usual progression of corrective action will be written reprimand, final written reprimand or suspension, and discharge.

Section 5: The ONA and the OSUTNO President will be notified within two (2) working days of any employee that is placed on paid administrative leave.

Section 6: Upon written request to the Administrator of the Medical Center Human Resources, an employee covered by this Agreement may have the record of any corrective action, not otherwise expunged, removed from the employee’s personnel record. Records of written reprimands shall be expunged upon written request provided there have been no further corrective actions for a continuous period of twelve (12) months. Records of final written reprimands or suspensions shall be expunged upon written request provided there have been no further corrective actions for a continuous period of thirty (30) months.

Section 7: Any dispute by a bargaining unit member regarding a corrective action shall be subject to the grievance procedure as described in Article 12.

ARTICLE 14 - HOURS

Section 1: A workweek is a period of time consisting of seven (7) consecutive days. The workweek is from Sunday morning (12:00 a.m.) to 11:59 p.m. the following Saturday. The normal work schedule shall be forty (40) hours to be worked in a five (5) day period between 6:30 a.m. and 5:00 p.m. Monday through Friday. Overtime work required on any unit, which may be outside the normal workweek schedule shall be paid in accordance with Article 15 (Overtime). Nurses may be assigned on-call duties outside the normal workweek schedule. A. The Hospital shall first seek voluntary time off from registered nurses in the affected service.

B. If sufficient volunteers are not secured all temporary and probationary nurses employed by the Hospital in the affected nursing service will first be laid off.

C. If a further reduction is required, nurses with the least Bargaining Unit Seniority in the affected nursing service will be displaced from such service in inverse order of seniority.

(i) Displaced nurses will first be placed in a vacant posted RN position provided they would have the ability to perform the work after an appropriate orientation. If more than one vacancy exists for which the displaced nurse has the ability to perform the work, the nurse has the option of applying for any available vacancy.
(ii) If no vacant position exists that a displaced nurse can be transferred into, then the nurse may exercise their Bargaining Unit Seniority to displace the most recently employed probationary nurse in the employee group covered by this Agreement.

(iii) If there are no probationary nurses, nurses may exercise their seniority to displace a nurse with the least Bargaining Unit Seniority in the employee group provided the nurse seeking to exercise the seniority has the ability to perform the work being performed by the least senior nurse after an appropriate orientation. Any nurse so displaced shall be laid off.

D. For the purpose of this Section the following areas shall be considered a Nursing Service:

- Pre Transplant
- Post Transplant
- Transplant Discharge
- Lung Transplant
- Heart Transplant
- Ventricular Assist Device Program

Section 5: Recalls from layoff made pursuant to Section 4 (C) shall be made in order of Bargaining Unit Seniority of those nurses laid off from the same nursing service.

Section 6: While any nurse is on layoff, any additional work, vacancies or new positions will first be offered to laid-off nurses who have the present ability to perform the required work, consistent with Section 5 of this Article.

Section 7: Nurses being recalled to work from layoff shall be notified by the Hospital by certified mail sent to each nurse’s last known address. The nurse shall have five (5) days, exclusive of Sundays and holidays, from the date of receipt to report to work.

Section 8: Openings in bargaining unit positions shall be posted one (1) calendar week before being permanently filled. Such openings shall be filled on the basis of ability to do the work and Bargaining Unit Seniority. If ability to do the work is relatively equal, Bargaining Unit Seniority shall be the determining factor. If Bargaining Unit Seniority is equal, University Seniority shall be the determining factor. The term ability as used herein shall include mental skills, education, experience, prior performance, and certification, licensing requirements and physical capabilities.

Nurses may request a return to their former position unless those positions have been filled or abolished and the requests may be granted only upon the approval of the Director of Transplant Nursing.

A nurse who transfers to a position requiring an orientation period must successfully complete the orientation period in order to remain in the new position. In the event the nurse does not qualify in the new position, the nurse shall be returned, without loss of seniority, to the nurse’s
former position unless that position has been filled or abolished. If the nurse’s former position has been filled or abolished the nurse will be assigned to a position for which the nurse is qualified. If more than one position is available for which the nurse is qualified, the nurse will be given a choice. The Hospital shall give first consideration to currently employed qualified applicants.

Section 9: The Hospital may interview any candidate for the posted opening, but shall guarantee interviews to the three (3) most senior qualified bargaining unit member applicants. A vacant position will be awarded, as soon as is practicable, after the interview process is completed. A manager may not hold a staff member from making a transfer for longer than four (4) weeks after a new position has been awarded without discussing the transfer timeframe with the staff member and Human Resources.

ARTICLE 17 - SICK LEAVE

Section 1: Sick leave credit shall be earned by registered nurses at the rate of 4.6 hours for each eighty (80) hours of service in active pay status, including paid vacation, holiday time, and sick leave. Part-time registered nurses shall accrue sick leave on a pro rata basis. Registered nurses shall accumulate sick leave to an unlimited maximum.

Section 2: Nurses may use sick leave for the following reasons:

A. Absence from work due to a personal illness or injury of the nurse.

B. Absence from work due to an illness or injury in the nurse’s immediate family requiring the care of the staff member.

C. Absence from work due to a death in the nurse’s immediate family. The amount of sick leave days granted shall be five (5) consecutive days, including the day of the funeral, except when additional time is required for distance in excess of 250 miles, or extenuating circumstances shall be determined to prevail on review.

D. Medical, dental, or optical examination or treatment of the nurse or member of the immediate family. Sick leave will be granted to a maximum of three (3) hours for each appointment.

E. When, through exposure to a contagious disease, either the health of the nurse would be jeopardized, or the nurse’s presence on the job would jeopardize the health of others.

F. Disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth and the recovery there from shall be considered as illness and qualify for sick leave benefits.

G. Immediate family for purposes of this Section shall include mother, father, brother, sister, child, spouse, grandparent, grandchild, mother-in-law, father-in-
law, daughter-in-law, son-in-law, sister-in-law, brother-in-law, grandparent-in-law, grandchild-in-law, domestic partner, legal guardian, or other person who stands in place of a parent. To use leave for the care of a domestic partner or for the corresponding relative of the partner, a completed Affidavit of Domestic Partnership must be on file with the department and with the Office of Human Resources.

Section 3: A nurse who becomes eligible for Workers Compensation payments for loss of time may choose to use sick leave before such payments are made.

Section 4: Upon retiring from active state employment after ten (10) or more years with a State of Ohio agency(s) or political subdivisions, an employee may elect to be paid in cash for one-fourth (1/4) of the accrued but unused sick leave credit, up to a maximum of 240 hours. This payment will be based upon the nurse’s rate of pay at the time of retirement. This one-time payout of sick leave eliminates all accrued sick leave on record.

Section 5: If nurses so choose, they may use any earned but unused vacation or compensatory time, before being granted a leave of absence without pay. If the nurse makes that choice, the nurse must complete a declaration of intent on the appropriate Medical Center form prior to the expiration of any accumulated sick leave.

ARTICLE 18 - LEAVES OF ABSENCE

Section 1: **ONA/ANA:** Leaves of absence may be granted by the Hospitals without pay to attend conventions or other meetings of ONA and/or of ANA. The number of nurses permitted leave to attend any said convention or meeting will be determined by the Medical Center and is contingent upon the needs of patient care as determined by the Medical Center.

Section 2: **Military Reserve/Service Leave:** Nurses who are members of any military reserve or service component of the armed forces of the United States are entitled to leave of absence without loss of pay for such time as provided by federal and state law. The Medical Center shall comply with all applicable State and Federal statutes and regulations relating to leave and employment rights relating to Military Reserve and/or Service members.

Section 3: **Jury Duty Leave:** Nurses required to serve on jury duty on any regularly scheduled work day shall be excused for the days on which they serve without loss of pay. Time spent on jury duty shall be paid and will not limit accrual of seniority under this Agreement.

Section 4: **Court Leave:** Court leave with pay will be granted to any nurse who is summoned or subpoenaed to appear before any court, any duly authorized federal, state, or local government body or is a witness in an arbitration hearing. Nurses who are required to appear before a court or other legally constituted body in a matter in which they are a party will elect and may be granted vacation time, compensatory time or leave of absence without pay.

Section 5: **Illness, Injury, Pregnancy Leave:** All nurses with more than one (1) year of service shall, in cases of illness, injury, or pregnancy related disability, be granted a leave of absence
upon written request supported by medical evidence satisfactory to the Hospitals, for the period of disability, not to exceed one (1) year. If the duration of the need for leave exceeds one (1) year, the nurse may apply for an extension of the leave, subject to the approval of the Medical Center. Nurses with one (1) year of service or less shall, in cases of illness, injury, or pregnancy related disability, be granted a leave of absence upon written request supported by medical evidence satisfactory to the Hospital, for the period of disability, not to exceed six (6) months. If the duration of the need for leave exceeds six (6) months, the nurse may apply for an extension of the leave, subject to the approval of the Medical Center. Such leave is terminated automatically when the nurse is placed upon total and permanent disability or when the nurse is capable of returning to work as certified by the treating physician.

If the nurse returns from such leave within three (3) months, the nurse will be returned to the nurse’s former position. If such leave is longer than three (3) months, the nurse will be returned to the nurse’s former position or to another position in the bargaining unit.

**Section 6: Personal or Educational Leave:** Leaves of absence for personal reasons, including educational leave, may be granted by the Hospitals to nurses for a period of time not to exceed one (1) year.

**Section 7: Family Medical Leave:** Leave will be provided in accordance with applicable state and federal laws and regulations, including the Family Medical Leave Act. The Agreement may afford more expansive benefits than those afforded by law.

**ARTICLE 19 - HOLIDAYS**

**Section 1:** Nurses are entitled to the following holidays:

- **New Year’s Day**
  - January 1*
- **Martin Luther King Day**
  - 3rd Monday in January
- **President’s Day**
  - December 24*
- **Memorial Day**
  - As determined by law
- **Independence Day**
  - July 4*
- **Labor Day**

*In the event a holiday occurs on a Saturday, the holiday benefit pay date will be observed on the preceding Friday. In the event a holiday occurs on a Sunday, the holiday benefit pay date will be observed on the following Monday. When December 25 occurs on a Saturday, Presidents Day will be observed on December 23. When December 25 occurs on a Monday, Presidents Day will be observed on December 26. For 2011 only, Christmas Day and Presidents Day will be observed on Monday, December 26 and Tuesday, December 27.
Section 2: By action of its Board of Trustees and pursuant to provisions of the Ohio Revised Code, the University reserves the right to observe President’s Day and Columbus Day at other times than indicated above when operational reasons make such a change advisable.

Section 3: During Christmas and New Year’s weeks, no nurse will be scheduled to be on call two consecutive holidays unless the nurse agrees otherwise.

ARTICLE 20 - VACATIONS

Section 1: Nurses covered by this Agreement shall be entitled to vacations with pay on and after their anniversary dates in accordance with the following schedule:

<table>
<thead>
<tr>
<th>Years of Service*</th>
<th>Vacation</th>
</tr>
</thead>
<tbody>

<td>25 days</td>
</tr>
</tbody>
</table>

“Years of Service” shall be “State Service” as said term is defined in Section 124.01 (B) of the Ohio Revised Code.

Section 2: Newly hired nurses are permitted to use vacation time upon accrual.

Section 3: A nurse regularly employed on a full-time basis shall receive forty (40) hours of pay at the rate in effect when such vacation is taken for each week of vacation to which the nurse is entitled. A nurse may accumulate vacation up to a maximum of 240 hours on the nurse’s anniversary date. Part-time nurses shall accrue vacation on a pro rata basis.

Section 4: Vacation time off may be taken during the twelve (12) months following the nurse’s anniversary date and shall be scheduled in accordance with the operational needs of the department subject to approval by the Nurse Manager.

A. Requests for vacation of five (5) or more consecutive days shall be submitted to the appropriate supervisor for approval. Such requests shall be approved or disapproved within fourteen (14) days of receipt.

B. Conflicts in choice within the same nursing unit will be resolved on the basis of bargaining unit seniority for a maximum of two (2) weeks of vacation.

C. If two (2) or more nurses on a given unit have the same bargaining unit seniority, then University seniority shall be the determining date.
ARTICLE 21 - WAGES

Section 2: Upon hire into the bargaining unit, a nurse’s starting wage will be established based on the model described in section 3 of this article, which require an evaluation of the nurse’s prior relevant experience. In the second year of this Agreement, however, the University agrees
that no newly hired nurse will earn an annual salary that is greater than an existing nurse with the same experience, provided that the existing nurse had at least an “achieves” rating on their most recent performance evaluation.

**Section 3:** Prior relevant experience will be credited based on the following chart:

<table>
<thead>
<tr>
<th>Experience Weighting</th>
<th>Credit</th>
<th>Example</th>
</tr>
</thead>
<tbody>
<tr>
<td>Full-Time (&gt;= 75% FTE)</td>
<td>100%</td>
<td>2 yrs = 2 years</td>
</tr>
<tr>
<td>Part-Time (&lt; 75% FTE)</td>
<td>50%</td>
<td>2 yrs = 1 year</td>
</tr>
<tr>
<td>Contingent/Casual</td>
<td>25%</td>
<td>2 yrs = 6 months</td>
</tr>
</tbody>
</table>

*Experience over 100% FTE is not counted*

A point value will be assigned for each year of prior relevant experience for the position, up to the established maximum number of years, based on the nature of such prior relevant experience according to the following chart:

<table>
<thead>
<tr>
<th>Experience</th>
<th>Pts Per Yr</th>
<th>Max Yrs</th>
<th>Max Pts</th>
</tr>
</thead>
<tbody>
<tr>
<td>Transplant</td>
<td>1.00</td>
<td>18</td>

</tr>
<tr>

<td>1.00</td>
<td>15</td>
<td>15.00</td>
</tr>
<tr>
<td>General</td>
<td>0.50</td>
<td>2</td>
<td>1.00</td>
</tr>
</tbody>
</table>

For purposes of this Article, Transplant experience shall mean nursing experience involving coordination of transplants, Hospital experience shall mean nursing experience in an acute care setting, and General experience shall mean all other nursing experience as a registered nurse.

**Section 4:** Nurses who have a recognized specialty certification shall receive a differential of 3.5% of their base wage. A nurse seeking to receive the specialty certification differential is responsible for verifying that the differential is paid within two (2) pay periods after evidence of the certification is submitted to the unit manager. No retroactive certification will be granted to a nurse who does not verify that the certification has been paid.

A nurse possessing more than one relevant certification will be given credit for only one certification. The following certifications are considered relevant:

- CPTC-Certified Procurement Transplant Coordinator
- CCTC-Certified Clinical Transplant Coordinator
- CCTN-Certified Clinical Transplant Nurse
- CTP-Certified Transplant Preservationist
- CCRN-Critical Care Registered Nurse
- CDN-Certified Dialysis nurse
- CNN-Certified Nephrology Nurse

**Section 5:** All nurses shall participate in the Medical Center’s annual performance review process. A nurse shall be eligible for merit-based increases to his or her hourly wage in accordance with the following schedule:
<table>
<thead>
<tr>
<th>Rating on P3</th>
<th>Percent Increase</th>
</tr>
</thead>
<tbody>
<tr>
<td>Does Not Achieve:</td>
<td>0%</td>
</tr>
<tr>
<td>Achieves:</td>
<td>2%</td>
</tr>
<tr>
<td>Excels:</td>
<td>3.5%</td>
</tr>
</tbody>
</table>

Any increase resulting from the application of the foregoing schedule shall be incorporated into the bargaining unit member’s base rate no later than October 31st of the performance evaluation year. In the event that a nurse’s wage reaches the maximum hourly wage set forth in Section 1 of this Article, a cash payout will be given in lieu of an increase to the nurse’s base salary for any percentage increase achieved through the merit review process. The cash payout will be determined by multiplying the percentage increase from the merit review process by the nurse’s annual base salary. Any disputes over the application of this section shall be subject to the grievance process in Article 12.

**Section 6**: Baccalaureate degree differential. Nurses who hold a Bachelor of Science in Nursing degree shall receive a differential of one (1) percent of their base hourly wage.

**Section 7**: Shift differential. A nurse shall receive a shift differential of five dollars ($5.00) per hour in addition to the nurse’s regular rate of pay for all hours worked from 5:00pm to 6:30am. Shift differential will be paid to a nurse provided the nurse has worked a minimum of three (3) consecutive hours between 5:00pm and 6:30am.

**Section 8**: Weekend differential. For purposes of this section only, a nurse shall be paid a weekend differential of five dollars ($5.00) per hour in addition to their regular rate of pay and applicable shift differential for all hours worked between the hours of 6:30pm on Friday and 6:30am on Monday.

**Section 9**: On-call pay. When a nurse is required to be available for duty in an on-call status, the nurse shall receive three dollars and twenty cents ($3.20) per hour for each hour the nurse remains in this status. If a nurse is “called in” to work, the nurse will be paid for all hours worked during the assigned on call at the applicable rate of pay plus all applicable differentials. Should the nurse lose regularly scheduled time due to extended on-call hours, he/she may have the opportunity, by mutual agreement, to make up said lost time, utilize a flexible schedule or utilize compensatory time.

**Section 10**: Holiday pay. Full-time eight-hour nurses shall receive eight (8) hours of straight time holiday pay on holiday benefit dates observed by the University. Full-time ten-hour nurses shall receive ten (10) hours of straight time holiday pay on holiday benefit dates observed by the University. Part-time nurses who do not work on a holiday benefit date shall receive holiday benefit pay on a pro-rata basis according to the percentage of their appointments of eight (8) straight time hours. Part-time nurses who do work on a holiday benefit date shall receive either benefit pay on a pro-rata basis according to the percentage of their appointments of eight (8) straight time hours, or benefit pay equivalent to the number of hours they are scheduled to work on the holiday benefit date, whichever is greater.
Full-time and part-time nurses required to work on the actual date of a holiday shall be paid premium pay at 1 ½ times their regular rate of pay for all hours worked.

ARTICLE 22 - INSURANCE

Section 1: The University will provide group health benefits to bargaining unit members on the same basis as such benefits are provided to all other non-bargaining unit staff at the University.

Bargaining unit members who choose to participate in all or any part of the University-wide program of insurance benefits shall pay the employee’s share of premiums, deductibles and other costs as established by the University.

Section 2: During the life of this Agreement the University will provide professional liability insurance in accordance with its announced policies.

Section 3: In the event the University improves or adds to the existing insurance program, such improvements or additions will be made applicable to the nurses covered by this Agreement. During the term of this Agreement, should the University consider changes in the area of employee health benefits, the University agrees to meet and discuss the contemplated changes with the ONA prior to the effective date of the change.

Section 4: If the University declares an insurance premium holiday, it shall also apply to nurses covered by this Agreement.

ARTICLE 23 - NO STRIKE/NO LOCKOUT

Section 1: During the term of this Agreement, there shall be no lockout by the University and neither the Union, or any of its officers, members, representatives, or agents, or any employee subject to this agreement, shall authorize, encourage, cause, support, instigate, tolerate, condone, sanction, participate or engage in any work stoppage, curtailment of work activities, strike, sympathy strike, slowdown, or boycott, or any other action that will interfere with the operations of the University.

Section 2: In the event a nurse violates this Article, the University may discipline that nurse and such discipline is subject to the grievance and arbitration provisions of this Agreement. In any grievance or arbitration proceeding thereafter initiated by the ONA, the sole issue shall be whether the nurse violated this Article.

ARTICLE 24 - DURATION

Section 1: This Agreement, the effective date of which is March 14, 2014 shall continue in full force and effect until midnight March 14, 2016 and thereafter from year to year unless either party gives sixty (60) days’ written notice prior to March 14, 2016 or any yearly anniversary date thereafter to terminate the Agreement.
ARTICLE 25 - ALTERATION OF AGREEMENT AND WAIVER

Section 1: No agreement, alteration, waiver or modification of any of the terms and conditions contained herein shall be made by any employee covered by this Agreement, and no such amendment or revision of any of the terms and conditions contained herein shall be binding upon the parties hereto unless executed by the parties hereto.

Section 2: Any sections, paragraphs, or sentences of this Agreement are separable. Any section, paragraph, or sentence which may be in violation of federal or state law, regulations, orders, revisions thereof or invalidated by a valid judgment or decree of court of competent jurisdiction, now effective or which may become effective during the term of this Agreement, shall be considered void. The invalidity shall not affect any remaining sections, paragraphs, or sentences of this Agreement and the balance of the Agreement shall continue in full force and effect. Both parties agree that they shall meet and confer over the invalidated portion of the Agreement.
