- **Faculty**: State Teachers Retirement System of Ohio (STRS)
- **Staff**: Ohio Public Employees Retirement System (OPERS)
- **Option for eligible full-time faculty and staff (75% FTE or greater)**: Alternative Retirement Plan (ARP)

You are automatically enrolled in STRS or OPERS. Newly eligible employees have a deadline of **120 days from your eligibility date to elect** the ARP in lieu of STRS or OPERS. If you do not elect the ARP, you will remain in STRS or OPERS, whichever is applicable.

Below is a brief overview. Learn more at [go.osu.edu/retire](http://go.osu.edu/retire).

### STAFF:

OPERS offers a choice of three plans within its system:

- Traditional Plan – Defined Benefit
- Member Directed- Defined Contribution*
- Combined*

OPERS will mail information about these specific options, including details about its election deadline, to your home address on file with Ohio State.

### FACULTY:

### ELIGIBLE STAFF & FACULTY:

If you meet the eligibility requirements, Ohio State will mail information about the ARP, including the **120-day election deadline**, to your home address on file with Ohio State. The ARP is a defined contribution plan.*

* NOTE: Ohio law requires a portion of the employer contributions for participants in the ARP be paid to OPERS and STRS. This amount is known as the “mitigating rate.” In addition, OPERS and STRS assess a mitigating rate on employer contributions to their defined contribution and combined plans. Learn more at: [go.osu.edu/mitigating-rate](http://go.osu.edu/mitigating-rate).

Eligible employees may elect to contribute to the 403(b) plan and/or the 457(b) plan at any time.
